PRESIDENT'S REPORT

CHAPTER 1410 JUNE MEETING

Our regular chapter meeting will be held at the High River Air Cadet hangar on June 5, 2014, with a very short business meeting starting at 7:30. For those wishing to have a dinner and chat with fellow members, dinner will be served at 6:30pm, cost of dinner $10 per person. Anyone wishing to dine is asked to email Bryan Gilbert to reserve a meal cbgilbert@shaw.ca. Remember, the bridge to the airport is still out.

MEETING ACTIVITY

As we do typically for our June meeting, this will be a fly in and hangar tour event as much as possible. It is the time of the year when we have daylight until about 10 in the evening. I would recommend that folks intending to fly in even plan to arrive early at 6:00. Hopefully, weather permitting, we will see on the High River tarmac some of the newly restored/built /acquired airplanes that have become part of our members lives. Doug, Geoff, Soren, Derek, Ralph and others please take note. For those who have hangar bays at High River and wish to open them for chapter members to take a looksee please advise me clarkseaborn@gmail.com in advance for planning.

NEXT MEETINGS

We will not plan any chapter meetings during the months of July and August, these are the months of flying and family holidays. If any chapter members wish to initiate a fly in event they are most welcome, and may email Robert Fridman fridman@shaw.ca for assistance in advertising.

The presenter for the September meeting will be chapter member, and professional engineer, Garry Wright, who will talk about "Airborne electrical fires: Prevention and Control". It will deal with a range of items including modern batteries that can influence scope, cause and magnitude of such events.

LAST MONTH`S MEETING

For those of you who missed last month`s meeting we had a very interesting and informative presentation by Troy Branch on his SUPERSTOL project. With the speed at which Troy proceeds, it wouldn't surprise me if he will have it completed and sitting on the ramp at High River in June.

LIST OF LOCAL FLYING AND AVIATION EVENTS THIS SUMMER

- May 25 Barrhead AB CEP4 fly in breakfast Wade Evans 780 674-0142
- June 8 Innisfail AB CEM4 fly in breakfast Bruce 403 392-2424

Who We Are

We are an enthusiastic group of like-minded individuals from various backgrounds who share a passion for recreational aviation in Southern Alberta and we offer the chance to meet others who combine fun with learning.

FOR SALE

Polyfiber covering components for sale. All of these materials are typically used in any fabric airplane and were purchased in this last year. Includes reinforcing tape, ribstitch thread, cloth protective tape, 1", 2", 3" and 4" fabric tape, 3" bias tape, poly fiber reducer, poly brush, and poly spray, drain grommets and inspection rings. Original purchase price $921 including GST, will sell for $550 which is 40% off. Call for complete listing, will sell as a lot only. Clark Seaborn (403) 256-1861 clarkseaborn@gmail.com

How to Join Our Chapter

Attend our next chapter meeting. Ask for anyone and they will be pleased to help. All the required forms will be made available for you to fill out. You must be a current member of EAA International, so please have your EAA membership number. If you are not a member, you can join EAA at the meeting.

Contact us by post at
EAA Chapter 1410
Box 5280, High River, Alberta T1V 1M4
Or by email at
president@highriver.org

For registration forms contact the treasurer (see the list of the executive below).

Please update your web member profiles

On our web site, in the member's section, there are many pictures and profiles that are quite dated (clecoed aluminum parts which are now beautiful flying machines). The updates should be sent to the webmaster (webmaster@eaahighriver.org) Please supply: Name, project or aircraft, facts about your project and area of aviation interest.
