

RAY AVIATION SCHOLARSHIP

Menominee EAA Chapter 1672 is holding an informational social gathering for teens aged 15 to 19 and their parents.

MEET A PILOT

To Discuss Aviation Careers and Scholarships

***An Open House at the
Menominee Airport Terminal***

Wednesday, May 14th from 5 PM to 7 PM

Pizza and refreshments will be available at the event.

Local pilots will explain the requirements and the training process. We will find you a free EAA Young Eagles flight at an airport near you. This entitles you to an online ground school course worth \$500 which will kickstart your journey to pilot.

EAA Chapter 1672 has been selected to award a prestigious Ray Aviation Scholarship (\$12,000) to a qualifying individual to help earn your private pilot certificate. Other chapter scholarships are available.
