## Chapter News—Let's Get Going!

### PRESIDENT'S MESSAGE

I hope you all enjoyed the January meeting as much as I did. Richard did a great job putting it all together and Radek's presentation was very enlightening. It seems that most of us were surprised about everything that is available through the IMC/VMC program, especially when the REDBIRD Simulator comes into the picture. I think that most of you know how I feel about the program and its ongoing importance for the Chapter. I would like to have a serious discussion about it with all the chapter members at this month's meeting. Weather permitting the Ran's S-19 will be

on display for everybody to view. We will discuss how it ties into the IMC/VMC, the future of it and the possibility of raffling it off. This could be a huge step for our Chapter if most of the members will buy in. We have had the plane for nearly three years since Ken donated it to the Chapter. In that timeframe, Ken has ordered another project (S-21) and has all but completed it, while we continue to struggle, discuss, argue, complain and more as to what to do with the S-19. Oh, by the way, Ken has ordered a second S-21!! Will he complete it as well before we make any progress with the S-19? The CAP members and a few of our members removed the old carpet from

the upstairs area and put down most of the new carpet. It needs to be cleaned before moving all the furniture back so carpet can be completed. It will be complete early next month.

Our March meeting will be our anniversary dinner; the dinner we didn't get to have last year due to the ever-present COVID 19. Hopefully, this year will work out, even though the virus is still an issue.

Lee Heitman (Y/E coordinator) wants to start Young Eagles in March this year. First event will be March 13<sup>th</sup>. We need some volunteer pilots for this, so if you can fly that day please let Lee know. The 13<sup>th</sup> is the coffee/donuts day as well so most of us will be there anyway.

There is much to talk about so hopefully we will have a good turnout on the 20<sup>th</sup> at 11:00 AM for the February meeting.

See you there!

Jim Steward,  
President, EAA chapter 72

# Chapter News

Jan. 2021 Meeting—VMC/IMC Club with Virtual Presentation from Mr. Radek W. via Zoom.

# Chapter News

Above are some of the assembly photos of the Rans S-19 Project donated to the chapter from Mr. Ken Hendrickson. Under Dana Reiman's leadership, the airplane is now fully assembled. The engine has been run and the airplane has taxied under its own power but has not flown. The next steps are to have the airplane registered and certified. This airplane and what we do with it will be the topic of discussion at the Feb. 20<sup>th</sup> meeting. Be there to provide your input!

## RANS S-19 Equipment

Two-place e-LSA airplane with dual controls,

Rotax 912-ULS Engine, Engine Install Kit and Exhaust from RANS,

Sensenich Composite 2-Blade Propeller,

Dual Dynon D700 Displays, Dynon Primary and Secondary ADHRS, Dynon Autopilot Servos, Roll & Pitch,

Dynon EMS-2020 Engine Monitoring System, Dynon Mode-S Transponder, Dynon AOA/Pitot Probe,

Dynon Backup Battery, Dynon GPS Receiver Module (non ADSB compliant), Garmin SL-40 Radio,

Aveo-Flash E-series wingtip lights,

Braided stainless steel brake lines.

## CLASSIFIEDS

- Brand new in box IFLY 740B. One of my customers bought it then quit flying. Never used. \$550 or best offer. Contact me if interested.

--

Jeff Moore  
719-494-9110

- \$1,000 for everything. Rivet guns are 2x & 3x.  
Please let me know if you need more details other than the picture.  
Contact: [MattGrunenwald@gmail.com](mailto:MattGrunenwald@gmail.com)

- We are moving, at last, to our retirement home in COS, and looking forward to flying our GlaStar and being part of the flying community.

We are moving the plane out at the end of February/first of March and trying to find hangar space. I have called the various places there at KFLY and they are all filled up. I did contact the Airport Manager and got put on a list of those looking for space. But I thought I would reach out to you in hopes there may be someone willing to share space or whatever, to get us in to the area. If you can broadcast that around the chapter, I would appreciate that.

Thanks,

Barry

# Chapter News

Congratulations to Hunter Hamilton. He received an Experimental Exhibition Airworthiness Certificate this month for his SNB-5 (Navy version of the Twin-Beech D-18). He acquired the airplane (pictured in the distance below) as a surplus project several years ago. The airplane has not flown since 1966 until this month. It's good to see it flying once again and to hear those Pratt & Whitney R-985s roaring through the air.

*No, really. There was a time when I knew what all of these were for!*

Apr. 14	IMC/VMC club meeting, MLAA hangar	6:00 p.m., 2 <sup>nd</sup> Wednesday
Apr. 17	Chapter Meeting, Program--Flight Testing Your Airplane	11:00 a.m. MLAA hangar, noon lunch
Jun. 20	Hastings, NB. Fly-in	All day Sunday
Jul. 26-Aug.1	Airventure Oshkosh	All week

***Young Eagles Rally on Saturday, March 13, 9am-12pm.*** Our next Young Eagles rally is planned for the second Saturday in March (weather permitting).

For those not familiar with Young Eagles, it is an EAA sponsored program launched in 1992, that has dedicated almost 30 years to giving youth ages 8–17 their first free ride in an airplane. It's the only program of its kind, with the sole mission to introduce and inspire kids in the world of aviation.

### ***How can you help?***

Please volunteer to be part of this chapter event. We need your help as pilots, marshalls, escorts, and registration.

**Note:** All pilots are required to complete the EAA Youth Protection Policy and Program if you are going to fly a Young Eagle. Here's the link: <https://www.eaa.org/eaayouth/youth-protection-policy-and-program>

To volunteer, please contact me at [\(402\) 968-4117](tel:4029684117), or [Lheitman76@gmail.com](mailto:Lheitman76@gmail.com). I hope to see you at Young Eagles rally!

Respectfully, Lee

### About Our Chapter

EAA Chapter 72 meets at Meadow Lake Airport. **Meetings are on 3rd Saturday of each month** with a Young Eagle Rally and/or breakfast/brunch/lunch or other activity throughout the month on Saturdays. Look for the calendar of events to high- light special chapter events like Young Eagle Rallies, fly-outs, and all other chapter sponsored activities.

The Chapter Newsletter is published monthly, normally mailed, and available on the website a few days before each meeting. Readers are encouraged to contribute articles, photos, etc. by submitting them to the Newsletter Editor in hard copy — email, pen/ paper, if it is not verbal—by the first Saturday of each month.

**Annual membership is \$25. Send to:** EAA Chapter 72, 7980 Cessna Dr. Peyton, CO 80831 payable to EAA Chapter 72, and start receiving the newsletter each month, attending the meetings, and having a great time with sport aviation.
