Notes from President

During the August meeting Bob Kircher delivered his many stories highlighting his flying career which continues today with Jet Blue. This was well received as many questions followed at the end and we went into overtime!

Quite a few members spoke of their OSH experience and how to stay above water doing it.

Do you have ideas or knowledge of a potential speaker or subject? Please come forward!

The upcoming meeting will have some discussion preparing for the November 2nd fly-in.

There is an effort underway to search for a slate of candidates for all elected positions. These two year term Officer positions all expire/renew this coming January. Ideally we should vote during the October meeting to establish every position.

With the hurricane approaching it is possible that electric service would not be restored or other conditions too difficult to hold the meeting. Please look for updates in your email close to the planned Saturday September 14 date.

IMC and VMC Club

These gatherings are combined for September. Please join John Carlile and myself on Thursday September 19 at 7pm in the Carlile hangar pilot lounge.

Come and attend any or all of these gatherings. And bring friends!

EAA CHAPTER 1236 MINUTES
August 10, 2019

Bob Boyer called the meeting to order at 10:00 am He welcomed everyone and asked that everyone stand and join him in the Pledge of Allegiance to the Flag.
He reminded everyone that 50/50 tickets were for sale.
Bob stated that the financial report for July 31, 2019 and the minutes for the July 13, 2019 meeting were on the front table.

GUESTS/NEW MEMBERS

39 members were present. We had no guests.

OLD BUSINESS

The suggested purchase of the prop balancer introduced by Mike Arthur at the June meeting was brought up again and discussion continued. The vote was deferred until a larger portion of our members are present to agree to this considerable expenditure.

NEW BUSINESS

Our Annual Fly-in will be here before we know it...November 2nd. A volunteer to head up creating/installing taxiway signage is requested.

Elections of officers will be happening in October with changes of officers to take place in January 2020.

Each position is a two year term. Please step up and take your turn. Be ready to rmake suggestions or volunteer at the September meeting.

YOUNG EAGLES

Keep flying the kids when you can and update your YE credentials.

PRESENTATIONS

Members Byron Covey, Bobby Blankenship, and Pete Putnam were among many chapter members spending time at Oshkosh this summer and were willing to share some of their experiences.

Bob Kircher, Love's Landing resident and Jet Blue Pilot, says career flying is "all about the stories" and he had many of them with great visual presentations to go with them to share with us! Favorite line: "I didn't know what I didn't know".

MISCELLANEOUS

The lucky winner Larry Landerman of the 50/50 drawing went home \$27 richer.
Larry Landerman made the motion to adjourn the meeting, seconded by Pete Putnam
