### **Message from Bruce Cynamon**

To All Past and Future Members of the Clean Up Committee

We are rapidly approaching the Fly In date. Last year you were kind enough to volunteer to aid in the set up and tear down for our annual fly-in or had mentioned your interest in joining the fun this year.

As members of the Clean Up Committee we are tasked with collecting the club storage trailer on Friday afternoon, transporting it to the Carlile's and setting up the chairs and tables according to plan. At the conclusion of the fly in we will be responsible for returning the tables and chairs to the trailer. In addition to the set up and tear down we will be responsible with emptying the trash cans during the fly-in and transporting the trash to the dump Saturday afternoon as well as cleaning up the hangar so that it is returning to the Carlile's in tip top shape.

We will divide our group into shifts during the fly in in order to make the most efficient use of our time and to ensure that each of us gets an opportunity to mingle and enjoy the fly in.

Last year we had to rent tables and chairs in order to ensure that we had enough seating for all. This year we hope to borrow some chairs and tables from Pete Fambrough at Back Achers in order to save the cost of the rental. We will be looking for some volunteers to accompany Chuck Gauthier and myself to Back Achers to help pick up and return these tables and chairs. It would be greatly helpful if we could round up a couple of pick up trucks to help with transporting this stuff.

Thank you for volunteering your time to help ensure the success of this event.

**IMC and VMC Club**

These gatherings are combined for October. Please join John Carlile and myself on Thursday October 17 at 7pm in the Carlile hangar pilot lounge.

Come and attend and bring friends!
