Board Meeting 5:00 - Meeting 6:00

Poker Run and Projects

President's Ramblings

It seems as if it's been forever since I've seen most of my fellow chapter members. Especially with last months meeting not coming to fruition. Anyway, that's old news let's keep looking forward as the ninth month of 2019 is upon us. What does September mean to you? To me it means "Poker Run" and I'm pleased to announce the plan came together nicely. This years airports are: KPRO (Perry), KBNW (Boone), KMIW (Marshalltown), KPEA (Pella) & KOXV (Knoxville). All FBO operators were pleased we are stopping by and using their facility as a point of contact for the event. We are opening the Poker Run to any pilot in the area not just chapter members. Looks like a fun time.

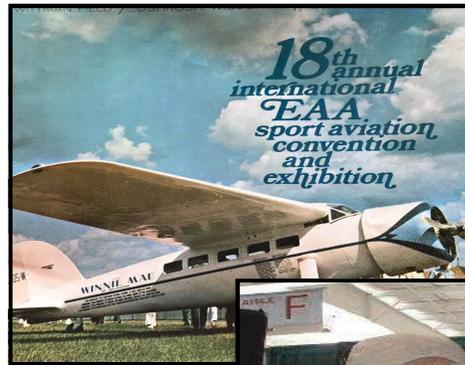

I have to back up to something that I failed to include in my ramblings last month. As you know the Oshkosh theme this year was 50 years in Oshkosh. Since I've been attending for sixteen of those years and a studious volunteer for fourteen years you run across a wide eclectic group of individuals. On one of my volunteer days at Home Builder Headquarters (HBHQ) a gent came to the counter and started chatting about being there in 1969 as a kid (we're all kids at heart with airplanes right). Any way he pulls out a program from that era. I was impressed not by the program but someone actually kept one around that long. What a great archive to find in grandad's junk. Fortunately, our VP was their to witness this event of a somewhat historical nature and captured the moment.

Now on the lighter side:

See you on the 14th and I hope you can find time

to fly or drive to each airport and participate in this year's Poker Run.

Till next time AJ

Long-time chapter member Jack Arthur passed away suddenly September 4. His celebration of life service is Saturday, September 14 at Nash Field. http://www.hamiltonsfuneralhome.com/services/services_detail.aspx?rid=48166
