## January Meeting Minutes

Fifteen people attended the January meeting in the Officer's Club at the CAF hangar at San Marcos airport. Two new visitors and one new member were among the attendees. So far, only 18 members have renewed their Chapter memberships.

There was a discussion about possibly taking a donation of a 1958 Cessna 172 but the Chapter decided not to take it because we did not have the capability to make it airworthy. We put the owner in touch with another Chapter that might have those capabilities.

We watched the December and January video updates for Chapters that EAA Headquarters provides.

Russ Ross talked about being interested in having members help him complete his home-built wooden aircraft after he recovers from knee and hip operations. You can see his contact information in the officer's list if you are interested.

If anyone has ideas for speakers for our meetings, contact Rick Cooper in the officers list.

It appears that Dave Olvera, Dave Falleur, Rick Cooper and Matt Naylor will be attending the Chapter Leadership Boot Camp in Conroe, TX on Feb 22<sup>nd</sup> (**see attached flyer**). If anyone wants to join them, call Rick Cooper 830-624-9010
