Gettysburg Barnstormers—EAA Chapter 1041

Gettysburg, Pennsylvania

Henry's Hangar

By Henry Hartman

Merry Christmas! From the Hartman Family, to all of the Barnstormer Family, we wish you a very Merry Christmas and a Happy, Healthy, and Prosperous New Year.

2019 has been a great year for Chapter 1041, we had many successful events and all of them got that way due to YOU and your support. None of this would happen without our wonderful members attending events, helping with our Breakfasts, Young Eagle flights, IMC/VMC Club gatherings, presenting programs, and everything else you do to promote our fine organization.

The Experimental Aircraft Association (EAA) was founded in 1953 by a small group of aviation enthusiasts, led by Paul Poberezny and his wife, Audrey. From humble beginnings, EAA has grown to be the premier aviation organization in the entire world! We are very fortunate to be associated with EAA as a local Chapter. This connection allows us to get affordable insurance for all of the events we hold all year long.

It's vitally important that our Barnstormer members are also EAA members. Membership offers a huge number of perks and benefits, including a subscription to one of the best aviation magazines ever printed. "Sport Aviation" is a monthly magazine featuring articles about all facets of aviation: from ultralights to warbirds to vintage aircraft to light sport to antiques to homebuilts, as

well as factory-built certificated aircraft and everything in between!

Did you know an EAA membership includes an Association of Science-Technology Centers (ASTC) passport? You get FREE ADMISSION to more than 400 science centers and museums worldwide including ones near you. Join today at www.eaa.org and get all the wonderful benefits by supporting the number one aviation enthusiast association in the world.

Speaking earlier about Christmas, I hope to see all of you at our annual Chapter 1041 Christmas Party on Tuesday evening, December 10th. There is more information about this most popular event and all the festivities that go with it in this edition of The Observer. I have "inside information" that our ol' buddy "Stormer Claus" has something unique and special planned for the Party and everyone that attends. Be sure you make an effort to attend!

Henry

Book Review

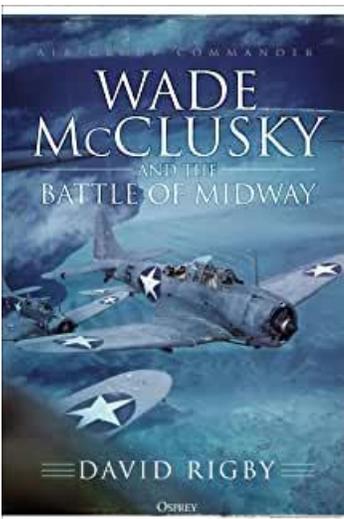

Wade McClusky and the Battle of Midway

by [David Rigby](#)

The story of the man who won the battle of Midway and avenged Pearl Harbor for the United States.

During the Battle of Midway in June 1942, US Navy dive bomber pilot Wade McClusky proved himself to be one of the greatest pilots and combat leaders in American history, but his story has never been told—until now. It was Wade McClusky who remained calm when the Japanese fleet was not where it was expected to be. It was he who made the counterintuitive choice to then search to the north instead of to the south. It was also McClusky who took the calculated risk of continuing to search even though his bombers were low on fuel and may not have enough to make it back to the *Enterprise*. His ability to remain calm under enormous pressure played a huge role in the US Navy winning this decisive victory that turned the tide of war in the Pacific. This book is the story of exactly the right man being in exactly the right place at exactly the right time. Wade McClusky was that man and this is his story.

The December IMC/VMC Meeting will be held in the Chapter Meeting room at the Gettysburg Regional Airport. December 14th 9:00 to 10:30 AM

Art Shaw and others will conduct this month's meeting. Phil Roth will present "The mixture control: from J-3 to turbo Mooney"

You do not need to be an IFR rated pilot to benefit from these discussions

Additional Information on EAA Website Here: <http://bit.ly/2DzNEaq>

Last month we discussed panel mounted Carbon Monoxide detectors.

Links to several provided by Dr. Dave Speranza appear below:

[Guardian Avionics](#)

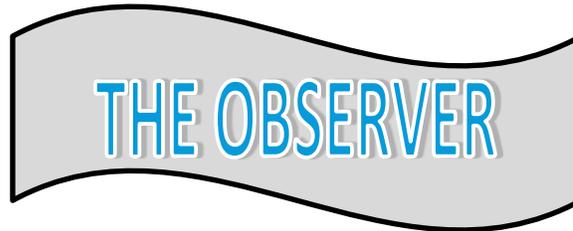

Guardian Avionics makes a line of panel-mounted detectors, and a detector that plugs into a 12v cigarette lighter

[Aeromedix](#)

Aeromedix markets a portable detector for the cockpit. It's made by CO Experts from Canada. I used an older version of this unit before getting a panel mount:

IMC/VMC Questions of the month were not available at the time of Newsletter Publication

BARNSTORMERS CHRISTMAS PARTY 2019

Be sure to join your fellow Barnstormers on Tuesday, December 10th at Dutch Country Restaurant, 946 Baltimore Street in Hanover for the annual Barnstormers Christmas Party. The meal will be served at 6:30 pm.

We will start with a served tossed salad, followed by a buffet-style meal of Roast Turkey with stuffing, Baked Ham with fruit sauce, Corn, Green Beans & Ham, Mashed Potatoes, and topped with the always popular “Make-your-own Sundae Bar”. The meal is FREE for all Barnstormer members, guests will be \$22.00 each, taxes & gratuity included.

Following the meal, we’ll have the customary EAA awards and a visit from our jolly buddy from the North, Stormer Claus! Be sure to attend and see what you might take home! As usual, expect to see a slide show with Barnstormer activities from this year.

During the October and November meetings, there will be a sign-up sheet available. If you are not able to reserve your seats in person, please call Henry at 717-637-3741 (days) or e-mail him at keystonesnowmobiler@comcast.net no later than Monday, Dec. 2nd.

An update from SARA

Did you know that SARA no longer charges landing fees for aircraft under 5,000 lbs at any of its airports? This has always been true in Gettysburg and Franklin County, but now it is also true at Capital City Executive Airport and Harrisburg International Airport.

Happy Thanksgiving to all, and have a great holiday season!

Thanks to Tim Edwards, Executive Director and Marshall Stevens Deputy Director for this update

Dear Robert Howe,

For more than 25 years The Gettysburg Community Soup Kitchen has been providing a friendly environment where adults and children can come daily to meet their needs for both food and fellowship.

On 10/1/19, we received your donation of the following in kind donations, 4 cases fresh eggs and #10 cans of fruit. I wish to extend our warmest thanks on behalf of our guests. Steady blessings such as yours enable us to continue to fulfill our mission of feeding the hungry 365 days each year.

In 2018, the Soup Kitchen served a nutritious mid-day meal to an average of 45 persons daily. In addition to our meals; guests are able to select one or two items daily from our giveaway basket, take unlimited items of baked goods, fresh vegetables and fruits, toiletries, and overstocked canned goods from the pantry shelves conveniently located in our dining area, and participate in our voucher program that enables guests to receive a \$15.00 voucher each month; redeemable for staple food items at a local grocery store.

We look forward to your continued support and invite you to come and visit us at the Soup Kitchen where you can see your contribution at work.

If you have any questions or comments please feel free to contact me Monday – Friday at 717-334-2773 or email at SupSK3445@gmail.com. I would be happy to show you around and talk about the many ways you can support our mission.

Thank you so much. The eggs were just in time for the start of the Breakfast program & we are always grateful for fruits

Thank You Again,

Sandy Lutz

Fly-Out Destination

Fly-Out destination for December will be decided at the Christmas Party. Dick Young is the Fly-Out coordinator. Please provide him with your fly-out destination requests

THE EAA 1041 SKY RAIDERS

The EAA 1041 Sky-Raiders have a scheduled fly-out on the 3rd Saturday of each month. Each pilot will make their own go/no go decision. Please call Dick Young (717-521-7942) no later than Friday afternoon if you plan to join the flight. Dick will make restaurant reservations at the destination airport; therefore, an accurate count of participants is appreciated.
