

Pilot Volunteer Opportunities

Friday eve, FEB 12, 2021 – via zoom

ZOOM: tinyurl.com/EAA106-2021-0212

Are you bored just flying to the same places?

Add some rewarding flight experiences to your flight hours: **VOLUNTEER your services for charity!**

We've invited four charity flight organizations to tell you how you may get involved as a GA pilot, ground volunteer or as a donor. With a target of about 10 minutes plus Q&A, these will each be quick overviews.

Arranging free flights so children and adults can access medical care, since 1996.

Pilot Volunteer Opportunities

Friday eve, FEB 12, 2021 – via zoom:

ZOOM: tinyurl.com/EAA106-2021-0212

6:30pm: On-line “Hangar Flying” (chime in!)

7:00pm: Announcements then our Program:

We’ve invited four charity flight organizations to tell you how you may get involved as a GA pilot, ground volunteer or as a donor. With a target of about 10 minutes plus Q&A, these will each be quick overviews.

AeroBridge – Large scale relief efforts using GA aircraft during major disasters

<https://aerobridge.org/>

Speaker: **Charley Valera** is a best-selling author and holds a commercial pilot license. Following the devastation from Hurricane Sandy in 2012, Charley has regularly volunteered with AERObridge starting as a pilot, to Field Director and now VP of Media Relations. He has helped organize large scale relief efforts using GA during major disasters, when people are struggling through some of the worst times of their lives.

AngelFlightNE - 80,000+ free flights by 400+ Volunteer Pilots

<http://www.angelflightne.org/afne-pilots.html>

Speaker: TBD – Likely Pilot Resource Management Coordinator Roger D'Entremont, maybe Founder & President and AFNE Volunteer Pilot Larry Camerlin, too. More info soon on our chapter calendar.

US Coast guard Auxiliary Air Operations -

<https://wow.uscgaux.info/content.php?unit=140&category=air-operations>

Speaker: **Don Brozenske**, a GE Aviation engineer of 37 years and a member of EAA Chapter 106 since 1982, bases his F33A Bonanza at BVY. He has logged 5300 hours, holds many ratings, including commercial, instrument, SEL, MEL, flew 2 years as a corporate KingAir pilot and 4 years as a charter TBM850 pilot. Don’s 21 years with the Coast Guard as an AuxAir Aircraft Commander includes roles as Assistant District Staff Officer for Operations, Flight Examiner and Aircraft Inspector

Turtles Fly Too - Relocating cold-stunned turtles trapped inside the Cape Cod area

<https://www.turtlesflytoo.org/volunteer/>

Speaker: **Dave Dinneen** is a leader in aviation advocacy in the Northeast, currently, he works as a business development professional with Gale Associates based in Weymouth, MA. He is also the Massachusetts Aviation Coordinator for Turtles Fly Too.
