

**FRI EVE, JAN 10 – EAA106 PROGRAM @ EAA106 Hangars (LWM)**

## **Annual Meeting w/ budgets/plans**

**– and –**

## **Program: Icing in the Fuel System**

We're not talking about carburetor icing. We're talking about water suspended or dissolved in gasoline that can turn into ice and stop your engine if freezing conditions are encountered. A personal story & the remediation.
