Another month has gone by and we are in Apr not much is going on. The kids from the Wright Flight Program hopefully will be flying this weekend.

The Taylorcraft is ready for clear coating. We will be setting up a paint booth to do this soon. Anyone interested in helping please let us know.

Our Pancake Breakfast is fast approaching and will be hear before we know it. The Beachcity Baby is to arrive on Sat and we are thinking of having some food to sell on Sat after it arrives, I am sure some people will come out to see her.

We are still thinking of a trip to Wright Paterson Air Force museum anyone interested in this trip let us know.
