

# EXPERIMENTAL AIRCRAFT ASSOCIATION

## CHAPTER 1098

### SHAWNEE, OKLAHOMA

The Shawnee, OK, EAA Chapter 1098 is an official chapter of the EAA, Wittman Airfield, Oshkosh, Wisconsin 54903-3089. Phone (414) 426-4800. Chapter 1098 was organized to promote aviation in the community, provide camaraderie, sharing of aeronautical knowledge and skills among those with interest in grassroots aviation and who share the objectives of the EAA. Chapter dues are \$20.00 per year, payable on January 1. Normally our meetings are held on the **fourth Sunday of the month at 2:30 PM in the Aviation Vo-Tech Building, Northeast corner of the Shawnee Airport, Shawnee, OK.** Time, date and place is subject to change. Please check your newsletter for current meeting information.

Chapter Website: [EAA1098.org](http://EAA1098.org)

Facebook: [EAA Chapter 1098](https://www.facebook.com/EAAChapter1098)

Newsletter information: EAA Chapter 1098 publishes the newsletter once a month. Its purpose is to inform.

**Members are encouraged to submit aviation- and member-related information and suggestions to the newsletter editor.**

The March meeting for Chapter 1098 is canceled due to the temporary closure of the Gordon Cooper Aviation facility.

The April meeting is TBD, depending on the status of the Coronavirus situation.

---

Thanks to Dan Burdette, Chapter 24 Flight Advisor, for giving a terrific presentation to our group on certifying and test flying experimental aircraft.

---

When the next meeting does happen, we will be reviewing the Chapter bylaws which have not been updated in many years.

A link to the current bylaws and proposed revisions will be sent out via email in the near future.

Please take time before the next meeting and review the documents. Note any issues, concerns, or ideas you might have and we will discuss them at the next meeting.

## VMC CLUB

No quiz this month 😊

From EAA:

[General Guidance to Chapters Regarding the Coronavirus \(COVID-19\)](#)

**March 2020** - A number of EAA chapters have contacted headquarters regarding guidance, options, and cautions regarding chapter events, in conjunction with the coronavirus. Here is some general guidance for those chapter leaders:

1. Communicate with your local public health officials (city, county, etc.). They will have the best overview on the local situation regarding public events. If there is low risk in continuing, decide accordingly. ***If there are situations such as school district closings, advisories against large gatherings, and so forth, postponing your event might be prudent.***
2. Volunteers who do not feel well should not participate in a chapter event.
3. Emphasize that the safety and health of all is the primary priority in any decision that is made.
4. In the case of Young Eagles rallies, additional steps such as wiping headsets, control yolks/sticks, and commonly touched surfaces with disinfectant wipes after each flight may be an excellent option.
5. Assure Young Eagles parents and your volunteers that if the event goes as planned, extra health precautions will be in place. Some of those suggestions are listed below. Make sure all volunteers follow them.

These are general guidelines. Your local chapter has a better gauge on the situation in your community than we at EAA headquarters. As always, please heed advisories from the CDC and your local government agencies.

We will continue to advise chapters of the latest information we have available.

Click below to be taken to the Young Eagles registration web site:

Welcome to the EAA Young Eagles Registration website giving youth ages 8-17 their first free ride in an airplane. - [More Information](#).

To create an event, be a Pilot or Volunteer for a Young Eagles Event, please " [Sign Up](#)" and " [Login](#)". Please watch the " [Videos](#)" for details.

- New carb overhaul with yellow tag
- King KT 76A, mode C, certified in July, 2018
- King KY 97A
- ELT

\$29,500

The previous owner, a good friend, pampered this plane for 40 years. I purchased it from him with the intent to bring it up to perfect condition and sell it. It is a delight to fly. Straight and level with hands-off, it indicates 105 mph. Everything works. There has been no expense spared in preparing this gorgeous old bird for the next owner. It draws a crowd and wins trophies everywhere it goes. Contact me to receive a photo album.

**CERTIFIED  
ROTAX  
TECHNICIAN
