The August meeting will be at the normal time and place – Sunday, August 26, 2:30 PM, at the Shawnee airport.

As noted in the minutes below, the monthly Sundance pancake breakfast and Young Eagles event will be this Saturday, August 25, at the Sundance Airport. Word has it that pilot and Senator Jim Inhofe will attend the event.

In addition, volunteers are always needed and appreciated, so if you are able to lend a hand, show up at 7:00 AM.

(The image shows 9 to 11 AM, but the normal, and probably correct, time is 8 to 10 AM.)

## **VMC CLUB QUESTION**

John Myers has posed the following question for the Chapter members, with the intent that we will discuss during the monthly meeting. Everyone is welcome to research or plan comments for the group.

---

Question: At the non-towered airport, when remaining in the traffic pattern, when should a pilot turn crosswind? Are straight-in (long final) landings permitted there?

---

Think about it and we will discuss on Sunday!
