VOLUME 23 NUMBER 11

NOVEMBER, 2017

In place of the November meeting, we gathered for the Chili Autumn Days Fly-In at Goldsby's David Jay Perry airport. That took place on a very windy Saturday, November 18.

We had a great turn-out in spite of the extreme wind. See pictures later on in the newsletter.

EAA Chapter 1098 October Minutes

No minutes were available for the meeting held at Clarence Page Airport in October. If those become available, we'll get them out to everyone.

OTHER INFO

The October meeting was held at Larry Eversmeyer's hangar at Clarence Page Airport. Quite a few folks turned out to see the great progress on Larry's RV-14, and to listen to his update on the project.

The November meeting was held a bit early due to the holiday. It was held on November 18, 2017, as part of the Fourth Annual Chili Autumn Days Fly-In at David Jay Perry Airport. This was a joint activity between Chapters 24 and 1098.

We had a very good turn-out, even though nobody was able to actually fly in due to the intense winds. The food was tasty and abundant, and plenty of folks contributed items to the blind auction.

Funds from the event will go towards Young Eagles scholarships. Total money raised was \$758.00.

Special thanks to Chuck and Liz Lewis and Lewis RV for donating the food for the event. Thanks to Larry Hinton for organizing the get-together.

FIRST FLIGHT

Doug's Kitfox took to the sky for the first time on the morning of October 25, 2017. Larry Hinton kept an eye out to make sure no pieces fell off as it accelerated for takeoff.

It flies very well. Phase one flight testing is in progress.
