

EXPERIMENTAL AIRCRAFT ASSOCIATION

CHAPTER 1098

SHAWNEE, OKLAHOMA

The Shawnee, OK, EAA Chapter 1098 is an official chapter of the EAA, Wittman Airfield, Oshkosh, Wisconsin 54903-3089. Phone (414) 426-4800. Chapter 1098 was organized to promote aviation in the community, provide camaraderie, sharing of aeronautical knowledge and skills among those with interest in grassroots aviation and who share the objectives of the EAA. Chapter dues are \$20.00 per year, payable on January 1. Normally our meetings are held on the **fourth Sunday of the month at 2:30 PM in the Aviation Vo-Tech Building, Northeast corner of the Shawnee Airport, Shawnee, OK.** Time, date and place is subject to change. Please check your newsletter for current meeting information.

Chapter Website: EAA1098.org
 Facebook: EAA Chapter 1098

Newsletter information: EAA Chapter 1098 publishes the newsletter once a month. Its purpose is to inform.

Members are encouraged to submit aviation- and member-related information and suggestions to the newsletter editor.

The November Chapter 1098 meeting will be at the regular time and place – Shawnee Regional Airport, aviation vo-tech building, November 25th at 2:30 PM.

Christmas Party!

The annual Christmas party will be held at the Manning hangar at Twin Lakes airport (13801 Chandelle Dr, Newalla, OK).

Meats and beverages will be provided, so bring yourselves and some tasty side dishes and/or deserts.

See you then – Saturday, December 8, at 4:00 PM.

EAA VMC Club Question

This was intended for the regular October meeting. Since the Ford Tri-Motor activity replaced the standard meeting, we'll just put this here for you to ponder. We will likely discuss it during the November meeting.

- What is the proper way to depart the traffic pattern?
- Can you depart straight out, or do you have to or can you turn?
- If you are turning, are you going to follow the traffic pattern (i.e., the crosswind leg)?
- When would you start your turn?

EAA Chapter 1098 Minutes

No minutes from October since there was no regular meeting.

OTHER INFO

The Ford Tri-Motor event, sponsored by Chapters 24 and 1098, was a great success. The big ship took passengers for unforgettable flights from Thursday, October 25, through the following Sunday.

Thanks to all who showed up to help out! Thanks as always to the great folks at Sundance Airport for hosting!

The annual beans and cornbread charity event and auction was held at the David Jay Perry Airport in Goldsby on November 3rd. There was a very good turn-out, and over \$900 was raised to benefit EAA youth scholarships.

Youth Scholarship Fundraiser
Beans and Cornbread
Also chili, hotdogs, nachos, and desserts

Saturday – Nov. 3rd

Silent auction for donated items

David J. Perry Airport Goldsby, OK, USA

Sponsored by

Experimental Aircraft Association

Chapters 24 & 1098

Here's a short video from the event:

Eric Muehlberg gave me a tour of the terrific progress Chapter 24 members are making on the donated Kitfox kit. The project has had several issues that the builders have had to overcome, but they are tackling them one-by-one. Kudos to these folks, under Eric's leadership, for sticking with this challenging build.

CLASSIFIEDS

If you know of a classified that is outdated, or want to submit a new one, please notify the newsletter guy.

- King KT 76A, mode C, certified in July, 2018
- King KY 97A
- ELT

\$29,500

The previous owner, a good friend, pampered this plane for 40 years. I purchased it from him with the intent to bring it up to perfect condition and sell it. It is a delight to fly. Straight and level with hands-off, it indicates 105 mph. Everything works. There has been no expense spared in preparing this gorgeous old bird for the next owner. It draws a crowd and wins trophies everywhere it goes. Contact me to receive a photo album.
