The previous owner, a good friend, pampered this plane for 40 years. I purchased it from him with the intent to bring it up to perfect condition and sell it. It is a delight to fly. Straight and level with hands-off, it indicates 105 mph. Everything works. There has been no expense spared in preparing this gorgeous old bird for the next owner. It draws a crowd and wins trophies everywhere it goes. Contact me to receive a photo album.
