Member Services

Class I Board of Directors:

President: John Maxfield (248) 890-6767
Vice President: Shahr Golan (248) 767-6630
Secretary: Debbie Forsman (734) 397-3452
Treasurer: Grant Cook (734) 223-2688

Class II Board Members:

Al Bosonetto (734) 261-5518
Bill Brown (734) 420-2733
Dave Buck (734) 453-5375
Lou Lambert (734) 207-7986
Mike Scovel (734) 462-1176
Library: Barb Cook (734) 277-3469
Newsletter: Elizabeth Hebron (734) 776-9294

Class III Board Member:

Tom Smith (734) 459-9654

Membership Committee:

Al Bosonetto, Dave Buck, John Maxfield

Dues: Grant Cook (734) 223-2688

Technical Counselors:

Randy Hebron (734) 326-7659
Dan Jones (248) 310-6018
Dan Valle (313) 539-9818

Flight Advisors:

John Maxfield (248) 890-6767
Dan Valle (313) 539-9818

Scholarships:

Elizabeth Hebron (734) 776-9294
Jim Trick (517) 546-3944

Young Eagles/Eagle Flights:

Debbie Forsman (734) 397-3452
Dave James (734) 721-4213

Refreshments:

Joe Griffin (734) 455-3107

Web: John Maxfield - webmaster@eaa113.org

Aviation Center Management Committee:

Al Bosonetto (734) 261-5518
Dave Buck (734) 453-5375
Bill Brown (734) 420-2733
Jim Morency (248) 981-8127
Pat Trevas (734) 416-3955

CHAPTER MISSION STATEMENT:

“EAA Chapter 113’s major focus is on the relationships with people who have diverse aviation interests, centered around their love of flight, fellowship, learning, and fun.

Chapter members have a passion for flying and are willing to share it with others.

Chapter 113 provides the opportunity for exchange of information, as well as the interaction that leads to friendships that last a lifetime.”

BOARD OF DIRECTORS:

“The Board of Directors are to provide both advice and assistance to the chapter officers on an ongoing basis.”

PRESIDENT'S *PODIUM*

John Maxfield (248) 890-6767
avee8rrr@yahoo.com
October 2015

Fall is in the air here in Southeast Michigan. The cool air is great for flying and the trees are mere days away from their annual color explosion. The Mettetal Airport Open House was well attended. Interest in EAA was high as we toured guests through our building, including some former members and families that happily recalled many of the people and planes on the meeting room wall. The Garden City Jr. ROTC group had their Young Eagle's Day at Mettetal October 3rd, our Thanks to all that participated.

Due to the sale of the Newbury Airport in Ohio this year, the popular Mini-Chili Fly-In hosted by EAA Chapter 582 in Toledo has been moved to Haar Airport. Haar is on the Detroit Sectional, just south east of Toledo along the Ohio Turnpike. Its country atmosphere and grass runway will be ready for the October 25th event beginning at 11am. More information is at: <http://www.eaa582.org/page-1721748>

Looking ahead to November, please mark your calendar for November 7th and 14th. Tracy Beckett's Young Astronaut Class is scheduled for Young Eagle flights on the 7th. Our annual Fall Chili Fly-In will follow on Saturday November 14th, from 11 to 3. These two events are on different days this year in an attempt to accommodate each more efficiently. We hope to see an increase in participation at both as a result. (Volunteers NEEDED for both!) Movie Nights also start on November 6th, join us for a block buster Aviation Film at 7pm in the EAA Meeting Room!

Elsewhere in this newsletter is a plea for information from our Chapter Members and Spouses who have served in the U S Armed Forces. Debbie is working on a Chapter Project for next year and promises to use your information in confidence. Please help her along if you served, she'll be happy to discuss it with you at the number above if you prefer.

David Brent spent most of September in Delaware studying at FlightSafety International. He emerged with a new Gulfstream V Type Rating. It won't be long before David is reading this newsletter from around the world. Congratulations David!

This month's meeting is the official time to announce the Chapter Officer Nominations collected thus far for the November Election. Al Bosonetto welcomes your nomination at abosonetto@aol.com or 734-306-3457. I will be stepping down as the Chapter President at the end of the year and look forward to serving on the Chapter Board of Directors. It's not too late to step up and lend a hand in the Chapter's operation.

The program this month features Martina and Oliver Reik who flew to N Fox Island and the Upper Peninsula in their Cessna 172. They also did some flying in Washington State, but I'll let them tell you that story! Sanjay flew his Quickie to Massachusetts recently and will share some of that trip with us as well. Stay up to date with EAA 113 at www.113.eaachapter.org and follow us on Facebook!

Happy Landings John Maxfield

SLIPPING THE SURLY BONDS; Great Quotations on Flight

by Dave English. McGraw-Hill, 1998.

Yes, a book of quotations from famous flyers, inspired by the downed Spitfire pilot John Gillespie Magee's poem "High Flight."

There's a quote included here for each of us, but Otto Lilienthal (pioneer aircraft builder) really captured the EAA spirit when he said:

"To invent an airplane is nothing,
To build one is something,
To fly one is everything."

Here are some of the quotations to enjoy today.

"I fly because it releases my mind from the tyranny of petty things." – Antoine de Saint-Exupery

"Flying is done largely with the imagination." – Wolfgang Langewiesche

"I learned that danger is relative, and that inexperience can be a magnifying glass." – Charles A. Lindbergh

"Flight is Romance, not in the sense of sexual attraction, but as an experience that enriches life." – Stephen Coonts from *The Cannibal Queen*.

"You can always tell when a man has lost his soul to flying. The poor bastard is hopelessly committed to stopping whatever he is doing long enough to look up and make sure the aircraft purring overhead continues on course and does not fall out of the sky. It is also his bound duty to watch every aircraft within view to take off and land." – Ernest K. Gann in *Fate is the Hunter*.

"Instrument flying is an unnatural act, probably punishable by God." – Gordan Baxter

"Never fly anything that doesn't have the paint worn off the rudder pedals." – Harry Bill

EAA 113 Wants YOU!

This year is an Election year for EAA 113. It is an opportunity for YOU to participate in the business operation of our Chapter. We are seeking volunteers for all Executive Officers: President, Vice-President, Secretary and Treasurer as well as members to serve on the Board of Directors. All positions are for two year terms.

Please thoughtfully consider how YOU can help your EAA Chapter. The Chapter By-Laws describe each position or any of the current Officers or Board Members would be glad to discuss the duties and time commitment required. The nominations will be presented to the Chapter at the October Meeting with a vote taking place during the November General Meeting. The transition of new leadership will begin in January. If YOU are interested in being a nominee, please notify our Nomination Chairman, Al Bosonetto at abosonetto@aol.com or 734-306-3457.

David Brent shows off his new Gulfstream V type rating.
Congratulations David!

Military Form

Please remember to fill out and return your Military information to Debbie by December 1st. Don't forget to give one to your spouse, as well, if they also served.

These forms can also be found at www.113.eeachapter.org in a fillable format for easy emailing!

Thank you for your service and for getting the information in promptly.

You are invited to
EAA 113's

CHILI!

Fly~In

Saturday, November 14th, 2015

11:00 a.m. to 3:00 p.m.

EAA 113 Aviation Center

Mettetal Airport (1D2)

Fly-In or Drive-In!

Feel free to bring a pot of your family
recipe or just come join us for a variety
of chili, hotdogs and desserts.

For more information visit our website: www.113.eaachapter.org

QUICKIE TANDEM WING FLY-IN

By Sanjay Dhall

I attended the 2015 Quickie Tandem Wing fly-in in Orange Ma. The flight was 650 statute miles each way, and my Quickie Q-200 performed well. There were five Quickies that made it to the event.

I arrived there and parked last beside the others.

All Photos Courtesy of Sanjay Dhall

The Lobster feast – cookout that the host Dave Dugas arranged. Huge softshell lobsters & chicken.

All the Quickies lined up at sunset.
The foreground plane is a modified
Quickie with tricycle landing gear.
This variation is called the Tri-Q.

On my way back I had company from
Orange to Cleveland – two of the
pilots heading back to Iowa.
That's where I swung Northwest to
come home.

NORTH FOX ISLAND, SEPTEMBER 7, 2015

by Martina Reik

We flew from 1D2 to North Fox Island (6Y3). The Island is 23 NM from the main land and you see South Fox Island as well as Beaver Island from the air.

Martina Reik*

SEATTLE, WASHINGTON, SEPTEMBER 22, 2015

by Martina Reik

We were on vacation to Seattle and got a check out on a C172 at Paine Field. From there we did some tours in the Seattle area. There was a TFR over Seattle on the really sunny day, but we got the opportunity for a scenic Seattle flight later that week.

Martina Reik*

Upcoming Young Eagles

Our last Young Eagle event for this year will be held on Saturday, November 7th from 9:00 am –12:00 pm at the EAA 113 Aviation Center. Our guests for this event will be the Southfield Young Astronaut Club. Tracy Beckett has been bringing this enthusiastic group for several years to enjoy several mini-aviation themed classes, in addition to their flight.

To have successful events, we need help! We are looking for instructors, pilots and lots of ground support. We simply cannot have safe, efficient events with only a couple of volunteers. Unlike previous years, this event will be held the week prior to the Chili Fly-In, however, we will have pizza for the kids (and those that volunteer)!

This is the most excited, appreciative group of students you will ever meet. If you would like to help out and share some of your passion for aviation to future generations, please let Debbie know.
