Mid-American Pilots Association

What's going on?

Our flying club has seen several students start their flight training since inception. We have been using the plane almost daily, weather permitting, to train. Two of our students have soloed, Josh Magruder and Tyler Funk! The next couple meetings will involve planning the next Fly-In.

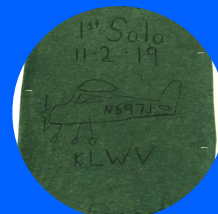

Flaget Troop 562

Our club meetings are the 3rd Tuesday of the month at the hangar. We also want to start 'Tuesday Nights at the Airport' for members to hang out and talk planes & flying.
