Power to the Sport Pilot

Our Mission

Sonex, LLC is committed to providing the recreational aviation community innovative, cost-effective and efficient aircraft kits, powerplants, and accessories and supporting them with industry-leading customer service.

In addition, Sonex provides leadership to the grass-roots homebuilt community to protect the experimental-amateur built rules and cultivates new pilots and airplane builders through educational efforts.

Our Vision

To continue the Sonex heritage of Product Innovation, Affordability, Simplicity, Versatility, Performance, Engineering, and Quality and to expand these themes into a broader aviation marketplace.

Sonex-B First Flight: David Brown

Feb 13, 2023 08:51 am

Congratulations to David Brown of Ozark, Arkansas who has just reported the first flight of his standard gear, UL Power UL350i powered Sonex-B (S/N SNB0016) back on May 7th of 2022! "First flight was amazing with plenty of power supplied by the UL350i engine," writes David.
