Presentation: Jeff Auen and Claudius Klimt presented an overview of their “*Amazing AirCam*.” The Lockwood AirCam is a 2 seat, twin engine, pusher prop, tailwheel aircraft, utilized frequently for aerial photography & videography, with an open cockpit and 2 fuel-injected Rotax 912 engines of 100hp each. Jeff and Claud presented a beautiful slide show of spectacular air scenes. Jeff is also web page can be accessed at: www.bushcatbuild.com. As always, our current Events Schedule can be found on our website at: <https://chapters.eaa.org/ea122/2022-events>.

EAA Chapter Video Message: In this month’s update, Charlie Becker highlighted a new Navy F4U Corsair exhibit on display at the EAA Air Museum in Oshkosh, Young Eagle Workshops for kids age 11-17. He encouraged chapters to be sure to bring their signs along to be displayed at the Blue Barn, as well as having group pictures taken under the Brown Arch.

Chapter 122 Updates: EAA International presented our chapter with the “Gold Seal” award for 2020-2021... one of only 3 chapters in the state of Pennsylvania to receive such honors! Our Ray Scholarship Committee is interviewing candidates for 2 scholarships to be handed out in the next few months. And Gabe Creeger (our 2021 Ray Scholar) completed his first solo on March 4th!

Upcoming Events: Saturday, May 21st, 9am — Inaugural Poker Chip Run — Hangar 2 HQ (CXY).

Thursday, June 9th — AIM for the SKY fundraiser — Central Penn Sporting Clays.
