The monthly chapter meeting was held in the at Hoss's Steak and Sea House at 61 Gettysburg Pike in Mechanicsburg , Pennsylvania.

The December meeting of EAA Chapter 122 was called to order by President Jim Haunstein at Hoss's Restaurant at 1800 hours with the following members and guests present: Chadd Naugle, Jax Naugle, Jon Naugle, Bob May, Grace May, Dan and Alice Cassidy, Mike Parks, Marilyn Parks, Lee Geisler, Henry and Jane Wenger, Don Fair, Carole Fair, Peter Gorse, Claire Durborow, John Durborow, Mike Spangler, Merrill Shaffer, Deborah Shaffer, Paul E. Furst, Jim and JoAnne Trygg, Ed and Bennie Crouse, Larry and Sandy Moore, Charles Theimann and family, Clint Barrich, Lynn Barrick, Bob Maternowski, and Jim and Lynn Haunstein.

The reason there were so many members and guests this month is because the chapter meeting immediately proceeded the annual Chapter Christmas dinner.

New Business:

Jim Haunstein announced that a bus trip to Washington DC will take place on March 16th, 2013. The EAA chapter in Slatinton will make all the arrangements.

Jim Haunstein announced that the chapter owes \$305.00 to the EAA National Headquarters for club dues. The expenditure was voted on and approved by the chapter membership.

Jim Trygg read an E-mail from Jim Lee's son stating that Jim Lee has been moved to a nursing home in Camp Hill. Jim Lee's health continues to deteriorate, and at the age of 91, the outlook is rather bleak. Our thoughts and prayers go out to Jim Lee and his family.

The meeting was adjourned at 1810 hours.

Post-meeting presentation:

The post-meeting presentation was a very entertaining magician/comedian by the name of Randy Sneed. Not only did he put on a great show on his own, but he also involved many of the chapter members and their families into his performance, including our chapter president Jim Haunstein and vice-president Jim Trygg. All in all it was a fun night with great food and great entertainment.
