## February's Meeting Welcomed Speaker, Corbin Clouser

Corbin Clouser, an IFR rated pilot who is currently a controller at the Orlando TRACON, spoke to a full house at the last meeting. He was formerly the Tower supervisor at Asheville, NC. Being a controller and an instrument rated pilot, Corbin was able to share his unique perspective and answer questions regarding the airspace and procedures in the local area.

### FEBRUARY'S "FLY OUT" A SUCCESS

After the Chapter meeting, about 10-12 airplanes took off from Love's Field to meet up at Ocala's airport restaurant, Elevation 89. Nearly 30 people enjoyed lunch at this new eatery. There will no doubt be other fly outs in the future.

## Donation Presented to Kids Fly Cubs

---

Lee Blankenship, Chapter member and a Board member for Kids Fly Cubs Organization, presented a donation of \$1000 on behalf of Chapter 1236. This is a community based flying program on the west coast of Florida that enables High School students to experience flying free of charge.

On hand to accept the \$1000 donation was CFI Daryl Hickman, President of Kids Fly Cubs and Andrew Gryshchenko, a student pilot who just soloed at 16 years old. To find out more information on this organization, click onto [kidsflycubs.org](http://kidsflycubs.org)

Pancake Chef Pete Putnam will be on hand to work his magic.
