## Upcoming Chapter Meeting Popular Novelist, Rinker Buck

Be sure to attend the February 10th Chapter "not-to-be-missed" meeting (9:00 donuts; 10:00 mtg) Rinker Buck wrote the very popular novel, Flight of Passage. This is a story of the summer of '66 when he and his brother (age 15 & 17) became the youngest to fly across the USA from New Jersey to California in a 1945 Piper Cub.

Mr. Buck has written other novels as well and there will be an opportunity to buy and have signed any book(s) of his you'd like. Other titles he's authored: If We Had Wings: The enduring Dream of Flight, First Job: A Memoir of Growing Up At Work, The Oregon Trail: A New American Journey, Life on the Mississippi: An Epic American Adventure. Many of these novels are journeys he has recreated and then shared through his novels.

## WHAT'S AHEAD for the March Chapter Meeting? PANCAKES!

It's our annual PANCAKE BREAKFAST on Saturday, March 9th; 9:00am. \$5 per person; Menu - pancakes, sausage, OJ, coffee. Short meeting after the breakfast.

## Pilots Needed for Young Eagle Flights for the Leesburg EAA Chapter

Bob Kircher, our Chapter Young Eagles Coordinator and Judy Betz, Chapter member, have shared that the Leesburg EAA Chapter is looking for help with their upcoming February Young Eagle's events. There is a long waitlist of young folks who would appreciate a Young Eagles flight. If you are aircraft current/proficient and interested in helping out with your time and aircraft, here's what you can do:

- 1) Contact Judy Betz ASAP at 351-362-8286 so she can coordinate with the folks at Leesburg.
- 2) If you haven't already conducted EAA's required online training and background check, or if it's been more than 3 years since you've taken it, then you need to go to [EAA.org](https://www.eaa.org) Follow the tabs: Pilots; Volunteer Young Eagle Pilots; Volunteer Pilot Resources...now you've arrived to all the qualification links.

## Happy Young Eagles participants at Leesburg. . . Thanks to Chapter members

Saturday, February 3rd, many young people were able to get rides thanks to volunteer pilots.

Chapter member, Bruce Cynamon, volunteered his Saturday (and his Bonanza) to give youngsters a memory of a lifetime.

## Joel Hargis, speaker at the January, 2024 Chapter Meeting

Our guest speaker shared his cautionary tale of "Don't Do What I Did...Learn from My Mistakes". Joel Hargis told us of incurring dangerous weather conditions during a flight home in his aircraft from Illinois to Florida. He encountered icing conditions including the freezing of the pitot and consequently did not have an airspeed indicator. In addition, he thought he could fly above the "weather", but was socked in up to 8000'. He was able to "thaw out" and land safely eventually, but the "take away" lessons he shared with us were: Don't have the "Must Get There" Syndrome; Don't Panic, & Aviate, Navigate, & Communicate. The seasoned pilots and even the non pilots at the meeting, appreciated his candor.

Nearly 80 members came to hear Joel Hargis' presentation.

Bruce Cynamon, VP, presented Joel with the coveted Chapter Mug.

# Chapter 1236 Membership & Volunteer Appreciation Party a HUGE Success. . .

A record breaking attendance of 145 Chapter members partied until the cows came home (well, almost!) on Saturday, January 20th. Since the temps were dipping down into the 30's & low 40's during party hours, the event was held at the Carlile hangar where the heaters and partiers kept the hangar toasty.

A new addition to the annual party was a Silent Auction conducted by John Leary and featured the amazing wildlife paintings by Chapter member and Love's Landing resident, Judy Brown. She also donated two classic aviator leather jackets with all silent auction proceeds going to the Chapter. Other donations were two bikes and a popcorn machine. A whopping \$1600 was raised through the Silent Auction. . . \$1300 of which came from Judy's fabulous paintings.

Entertaining us for the evening was an incredibly talented band of all Chapter members and one guest musician. Chapter member and band organizer, Mike Ricketts (lead acoustic, electric guitar, vocals) along with guest musician, Mark Newman (acoustic guitar) were accompanied by Chapter member vocalists, Lee Blankenship and Dara Oliver. Enhancing the percussion part of the band was Chapter member Bill Near on the conga drums. This group was a definite crowd pleaser and they entertained us until those "cows came home" (about 9:30pm)

But of course we owe the success of this Membership and Volunteer Appreciation to all the VOLUNTEERS that made this event possible. We had over 40 volunteers who set up and helped Ana Kircher (decor visionary and creator) transform the hangar with her wonderful decorations. The amazing transformation took only 58 minutes. Tricia Angell organized the dinner catering and was supported by a team of great volunteer servers. An impromptu group of members then helped to clean up after the party.

# A Photographic peak at Leeward Air Ranch's 1st Annual Warbird Round-Up

January 27, 2024

Several Chapter members attended Leeward's Warbird Roundup and many had aircraft on display.

These are just a few photos that were shared by those who attended.

Chapter member, Dave Gidzinski, flew his 1954 Bucker Jungmann 131 to the Warbird Roundup.

The wing walker was a crowd pleaser. Thanks to Mike & Tricia Angell, Roberta Ricketts & Kathy Hirtz for sharing their photos. Would love to have more from this event! Please send them to Janette.

# CHAPTER MEMBER MILESTONES

Do you or someone in the Chapter have a milestone or celebration related to Aviation that can be shared here? Please email Janette at: [janette.g.carlile@gmail.com](mailto:janette.g.carlile@gmail.com)

**Congratulations to Capt. Bob Kircher, Who Celebrates 20 years with Jet Blue. . .**

**New member,  
Jamie  
Macpherson,  
Starts his  
Aviation Career**

.....

Jamie Macpherson is "all in" to realize his goal of becoming an airline pilot. His 1st flight lesson with Ocala Aviation Services was January 11, 2024. Stepping stones to his goal include first getting his PPL (private pilots license), then instrument & commercial. He will then build flight hours & experience to eventually realize his goal.

Pete Fambrough, 89, passed on January 14, 2024. A chiropractor by profession, Pete lived and flew out of his private airstrip, Back Achers. He was a US Army veteran, and was very active in many community organizations. A Celebration of Life is set for 2/24/24 (his 90th birthday)

Col Wilbert "Bill" Sorenson (ret), passed on November 24, 2023. In the US Army, Bill flew AH-1 Cobra gunships, UH-1H Huey, & OH-6A Scout Helicopters in Vietnam in the early 1970's. He was a Silver Star and two Distinguished Flying Cross recipient. Bill enjoyed his Jabiru 2300 light sport airplane at Woods & Lakes Airpark. There was a Missing Man tribute over Belleview on January 27th.

**ALERT! ALERT! We REALLY need your help in finding speakers for future meetings. . .**

---

Maybe you have been to other aviation oriented clubs & organizations? We are looking for good speakers for 20-30min(max) presentations that our membership would enjoy. OR maybe you know of someone (or yourself) who has an interesting aviation story to tell? Please email Bruce Cynamon with names and contact info:
