## Notes from President

Welcome to a new year with EAA Chapter 1236. We hope to continue with the very successful ideas and plans from 2019.

We'll be implementing a new roster management system that will allow you to access information on your friends in the chapter and allow us to maintain contact with each of you. As soon as it's completely loaded we'll be passing out the log in information. We'll also be including a link in our newsletters that will take you directly to the Chapter website and you can find a complete schedule of future meetings and events as well as a photo gallery of past activities.

The 2019 Fly In was a huge success. We have collected ideas on what worked and what changes we should consider that should make the 2020 Fly In even better. We made \$5000 profit that we can apply to future chapter purchases and donations. Special thanks to all of the volunteers who made this possible.

We look forward to seeing you this Saturday, Jan 11 at 9:00 for donuts and coffee before the 10:00AM meeting. Be sure to plan to stay after the meeting for a free lunch of ham sandwiches, chips and drinks.
