Guest Speaker Shares Harrowing Experience in the Skies

At our July Chapter meeting, Sharon Matiyow, a retired American Airlines Flight attendant, shared her nightmarish hijacking experience on Flight 119 on June 23, 1972. Her amazing story of survival and ultimately of forgiveness, found us on the edge of our seats. Her husband, Randy Matiyow, also told of his connection to her ordeal even before they had met as a couple when he worked for Brink's. If you'd like to read a 2020 article that details the ordeal and aftermath, please click on this link. https://issuu.com/ocalasgoodlife/docs/0720_issue_book/s/10709202 BTW - Sharon and Randy Matiyow became our newest Chapter 1236 members right after the meeting!
