

The Bend High Desert Flyer of Chapter 1345

WEBSITE: <http://1345.eaachapter.org/>

KBDN AWOS 134.425

August 2016, Vol. 15, #8

PREZ SEZ:

Oshkosh was a big success and a lot of fun. I was able to meet up with a lot of old friends and made many new ones. Since I was out that way, I stole away from the show on Friday to visit with my daughter and her family for a few days down in Missouri. That was also time well spent.

This month is our **annual Chapter “Family Cook Out” and pot luck!** The Chapter will provide the “meats” as usual – you bring any side dishes/drink you desire or to share. Wednesday, August 10th, at the Robertson Hangar, 63032 Powell Butte Hwy.

Dale will be doing his “Young Eagle” meeting starting @ 5:00 and we’ll have the grill fired up for Burgers & Brats @ 6:00!
Need directions? Call me @ 541-306-1500,
We’ll have the sign out for ya.

We are also having a guest presenter, Dewey Conroy, the VP from Pacific Coast Avionics out of Aurora OR., come over to talk about all the new avionics options and ADSB options for experimental and hopefully talk about the changes allowing legacy aircraft to upgrade to the newest technologies.

Hope to see you there and bring the family and friends!

*Thomas Phy,
President*

Jack Watson, Treasurer

July Meeting Minutes

Minutes of a regular meeting of The Chapter held on July 13, 2106, at the “Bend Builders Assist”/Robertson Hangar at the Bend Municipal Airport. Said meeting followed the conclusion of the monthly Chapter Young Eagles Support Group meeting which adjourned at 5:45 pm.

ATTENDEES

There were some fifteen attendees including: Thomas Phy, Dale Anderson, Mike Robertson, Jack Watson, Charles Brown, Mike Bond, Jim Mateski, Mike Pederson, Kim Muinch, Kelly Farrington, Jeff Thompson, John Moeckel, John Noordwijk, Carter Fairchild & Mike Kloch.

DINNER

Consisting of Burgers grilled by Chef Mike Robertson, accompanied with potato salad and Costco Pizza were served at 6:10 pm followed by:

Meeting minutes - continued

CALL TO ORDER

At 6:45 pm at which time President Thomas Phy announced that, as Minutes of the previous meeting and the Treasurer's report were published in the monthly newsletter and, there being no additions or corrections, we would dispense with a reading thereof. He then initiated a round of self-introductions followed by an announcement by member Kim Muinch concerning a proposed "Poker Run" in September (see proposed details at the end of this newsletter) followed by several other announcements by President Phy which concluded at 7:00pm at which time:

PROGRAM

Mr. Phy introduced our guest speaker for the evening, Mr. Brian Lansburgh, who regaled attendees with his early experiences as a flight instructor in California, then as an Air Show pilot and concluding with his current role as a "Tail Wheel Instructor, Video Producer and publisher of the Tailwheel Journal," concluding his presentation at 7:45 pm at which time the meeting:

ADJOURNED

John S. Watson
Secretary /Treasurer

Young Eagles Support Group Meeting

Wednesday, August 10, 2016, 5 PM

Robertson (EAA) hangar, Bend Municipal Airport

Agenda: Greetings, welcome new attendees, review of purpose, announcements

Report on AirVenture 2016 at Oshkosh, WI.

Members attending were Sonja, Tom, Lynn, and Dale.

Share the loot – posters, pictures, charts, stickers, hats, educational materials

FAAST topic: "Fly the Airplane":

Explanation of priorities for normal operations, as well as emergency actions.

Aviate, navigate, communicate – a simple statement of priorities.

Simulate flight situations and the typical as well as atypical distractions that occur.

Everyone gets to test their focus on flying the airplane as a number one priority and we will try as many different situations and distractions as feasible

Discussion and Conclusions ...

Family BBQ starting at 6 PM; please bring friends and family for a hangar party. Bring something to share if convenient.

Zoe is one of our regular members. She was very fortunate last month to get a ride in a T-6, WWII trainer. She said "It handles quite light for a large aircraft" WOW!!!!

Dale Anderson,
Young Eagles Coordinator

No more Lancair ...

Director of business development, Kevin Eldredge announced that Lancair International is to be liquidated.

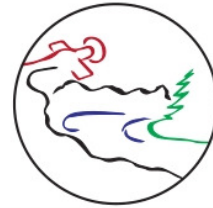

Evolution (above) production is shifting to a new corporation, Evolution Aircraft Co., which will remain in Redmond.

"What we're looking for is someone to buy the Lancair brand and assets," Eldredge said. The assets include molds, tooling, and parts, as well as the intellectual property. He said he will not break up the assets. Ten percent of the current company's revenue comes from supporting the out-of-production designs. "We aren't pursuing that business. We're keeping up."
"The most important thing is the buyer. It's a big deal."

More than 2,000 Lancair 320/360, IV, IV-P, ES, and Legacy aircraft kits have been sold around the world, and more than 1,200 completed aircraft have been registered.

Harrison Ford flew the 2-millionth Young Eagle in his deHavilland Beaver at AirVenture 2016

2016 WINGS OVER WILLAMETTE

INDEPENDENCE FLY-IN & VAN'S HOMECOMING

AVIONICS, SAFETY, AND MORE!
DINNER SATURDAY NIGHT
AIRPARK HOUSING AVAILABLE

For more info & registration: www.eaa292.org

A mockup of the new Cessna Denali; was shown at AirVenture 2016

The Denali is being promoted as a 285-knot airplane with a full-fuel payload of 1,100 pounds and a 1,600-nautical-mile range, a 1,240-SHP GE turboprop with a 5-blade, 105" McCauley reversible pitch prop.

It would be larger than the Pilatus PC-12 at a similar sub-\$5M purchase price.

End-of-Summer 2016 Central Oregon Poker Run

1. Purchase Your Poker Hand and **Start** Your First Leg at Any of These Airports,
2. Then fly to 4 (Out of 5) more airports, and get 2 more cards at each stop, but make sure...
