March 21, 2020 – 8AM - Chuck Millar flyin/drive in breakfast at 2AZ4

April 18, 2020– 10 AM meeting – at Ak-Chin airport (A39), program by Ernie Copeland

May 16, 2020 – Class on welding at Millar Airport (2AZ4)

Treasury: current amount as of December 31, 2019 is \$4039.44.

News:

VMC and IMC clubs meet Tuesdays at 6:30 at Chandler Terminal Building.

Check out EAA webinars at the EAA website

Copperstate 2020 update: Thursday Feb 6, 2020- pilot fun day with Poker Run, spot landing and flour bombing. Feb 7,8,9, is regular show. Need volunteers, go to Copperstate.org and select volunteer section. Added more campground spaces, now 107 spots. Karyn King brought jewelry and beautiful aerial photos she will have at Copperstate. Marty Kirkhuff suggested to take the new 202 freeway from the East Valley to get to the show in Buckeye.

Builder Updates great flights, builder hints:

Chris Collins – Velocity ready to fly, will have inspection in March.

Marty Kirkhuff – Davis DA2 update

Ken Spruell – looking for Volkswagen engine for his newly acquired Thatcher project.

Kelly McMullen showed new type of connector and different types of fabricfiberglass coatings

Young Eagles: Chris Collins is looking to have another Young Eagle event in March or April, still in planning.

Glendale EAA chapter is looking for volunteers for January 25, 2020 to help fly 70 kids of deployed National Guard members

Program:

No program

The meeting adjourned at 11:00, at which time we had a burger and brats cookout and social hour.
