FORD TRI-MOTOR VISIT

This is a reminder for those of you that have volunteered to help with the Ford Tri-Motor visit. The EAA has produced a video that outlines the procedures for the volunteers. It is helpful to watch the video, so you know what each volunteer position does. Also, you can view it at your leisure and learn at your pace... rather than feel hurried on the day of the event.

For direct link: <https://www.youtube.com/watch?v=1FQGgkk4YO4>

... or while on YouTube, type in "**volunteer tri motor**", and the selection will show up in the listing:

WEEK'S HANGAR WORK TRIP

For the 29th year in a row, EAA Chapter #145 travelled to Week's Hangar in Oshkosh for an aircraft work weekend. There were 14 members of the chapter that got to work on interesting projects, sharing flying stories, and generally having a good time among the aircraft.

SMOKY MOUNTAINS TRIP

The Riverview pilot group leaves for the Smoky Mountain trip next week. We wish them safe travels and blue skies.
