

EAA CHAPTER 145

e-Bulletin

Greetings, this is a request for help with an EAA event in West Michigan.

EAA145 is sponsoring Young Eagle flights at the Wings of Mercy open house, "CareAffaire," on Saturday 9/11/21, at Holland airport (BIV), 8am to noon. We need pilots to fly as well as ground people for registration, dispatching, aircraft parking and safety, to name a few.

Please respond to this email with how you would like to volunteer, as a YE pilot or ground crew.

Then I'll send your details about the event...such as free breakfast, where to park, etc.

Thanks for being a YE volunteer,

Dick Foster
