EAA Chapter 1475

EAA Chapter 1475

www.eaa.org

# MARK YOUR CALENDARS!

The chapter Christmas party is Wednesday, December 4 at 6:00 p.m. at Brisket Love Barbeque & Icehouse in Lindale, 15338 FM 849.

This will be a joint party with Collins Field, Wisener Airport and EAA Chapter 1475.

Here is the menu to get you thinking: <https://brisketlovetx.com/menu/>

# CITY OF MINEOLA CHRISTMAS PARADE

The EAA biplane will be entered in this year's Night Christmas Parade in Mineola. The parade is Saturday, December 7, beginning at 5:30 p.m.

The plane is already decorated with lights but volunteers are needed to move the biplane out of the hangar and help load it onto the trailer.

Contact Lupita if you can help!

# STUFF FOR SALE

**FOR SALE: Piper Nose Bowl Assembly – PA-20, PA-22, PA-25 Univair #U13778-000**

This is a USED Nose Bowl Assembly, repaired and primed. Asking \$850.  
Call Jimmy at 903/292-7625.

**FOR SALE: Piper Nose Bowl Assembly – PA-20, PA-22, PA-25 Univair #U13778-000**

This is a NEW nose bowl, painted and ready to install. Asking \$1,250.  
Call Jimmy at 903/292-7625.

**FOR SALE: Piper Top Cowl Assembly – PA-20, PA-22 Univair #U131580-000**

This is a NEW top Cowl assembly, never installed for a PA-20 or PA-22. It contains the top, left and right sides of the cowling. Asking \$825.  
Call Jimmy at 903/292-7625.

Also from Jimmy Chadwick...

<http://eaaforums.org/showthread.php?9199-FS-Two-Seperate-Hatz-Classic-Projects&s=d1886d99d4ea876e92090518096c7367>

I have recently acquired two Hatz projects to sale for the current owner. I do not have the original plan sets or serial numbers at this time but are expected to arrive by courier in the next couple of weeks.

Projects #1 – Hatz Classic – Project began construction in 2005 and ended in 2013. No work on the project sense that time. Complete airframe in the fabric stage. Fuselage and tail feathers covered but not silvered. Wings are not covered. It appears that all airframe components are here, including Maule tailwheel, flying wires, engine mount and cowling, pushrod tubes, brake lines, Cleveland wheels and brakes, etc. Rear instrument panel is complete. Firewall forward was not completed. Radios, ELT, propeller, and 1723 SMOH O-320, will be sold separately. The craftsmanship on this project, from the woodwork, the sheet metal work through the fabric work is some of the best I've seen. To see more photos, go to the EAA Builders Log Site <https://eaabuilderslog.org> and search for projects in the 75754 zip code. Asking \$21,500 or best offer.

Project #2 – Hatz Classic fuselage, main gear legs, Matco tail wheel, tail feathers and some fuselage formers. Over 4350 hours on builders log for this project between June of 2010 and December of 2011. Two Technical Counselor Visit Reports during the build. This project has not been primed. A light rust layer is apparent on 2/3's of the fuselage. Will need blasting and priming as soon as possible. To see more photos, go to the EAA Builders Log Site <https://eaabuilderslog.org> and search for projects in the 75754 zip code. Asking \$6500 or best offer.

These projects are located at the Mineola-Wisener Airport (3F9) 22 miles northwest of Tyler, Texas. PM with questions or call Jim at (903)292-7625

### **FS: 0-320-A2B Zero Time Sense Major Overhaul**

<http://eaaforums.org/showthread.php?9190-FS-0-320-A2B-Zero-Time-Sense-Major->

---

Includes rebuilt carb, Sky-Tec 149-12PM starter, vacuum pump, 0.010 oversize steel cylinders and Vetterman 2-1 exhaust. PM for more info. Asking \$17,000 OBO.
