

CHAPTER 153

PRESIDENT'S MESSAGE

MAY 2023

Hello Friends,

Welcome to our May 2023 newsletter. Time flies! Nice weather lately and time to be hanging out at the airport again. We will be inside in the lower level meeting room at Schaumburg Airport for this presentation on May 14th, with hangar social flying starting at 7. Then about 7:30, we switch on the technology to learn 'How to Build a Wooden Propeller', 'Propeller Care from Hartzell Corporation' and to learn about the rare 'Laird Biplane at the Brodhead Museum'. We will supply popcorn, snacks and refreshments.

We want to thank Ron Liemann for giving his informative presentation on Flying the P-40 and Chino Aircraft Museum airplanes in April.

After the presentation, we will go around the room for builder's reports/flying stories/show and tell items you brought etc.... It is nice to see the progress on the home built airplanes and antique restorations!

Welcome to Randy Gautier to the 153 Board of Directors, as he was voted in at the April membership meeting. He has been taking on projects already, like organizing the storage room off the kitchen! He is very driven, wants to serve on some committees and has much technical expertise! There is a VHS player hooked up to the big TV and hundreds of interesting tapes in the locker in the storage room. Thanks to the airport, Ron, Randy and others that helped and donated.

We have a big Show and Tell item that you may want to spend extra time looking through and it involves time traveling. It is Gregg Erikson's many decades collection of EAA 153 historical info like newsletters, rosters, agendas, posters, lists, letters, photos and more that he gave to Scott awhile back. We have had so many great members and topics over 60 years of being a Chapter! Jim Fall may be organizing it into History of EAA 153 Collection.

I hope you enjoyed Ed Godfrey's well written, detailed RV-10 article last month. Now he is busy flying it. Thank you Ed!

At Chapter 153, we like to enjoy aircraft, learn about aircraft, be safe and have fun with our nice aircraft friends! We are planning some fun outdoor social events soon and are open to your suggestions or offer to host.

We have some openings on group committees if you want to participate a little more.

Please feel free to submit any ideas you have for future topics and social gatherings. Please also consider writing an interesting story or helpful airplane tips to put in the newsletter. Share your expertise! Also if you have your airplane photo or mostly completed project and you would like it showcased on our website, then send Glenn or me a nice picture of it. Thank you Glenn, for building and maintaining the website.

Please also visit, Share and Like us on Facebook. Thank you to all of you for being part of our great EAA Chapter 153 (60 years strong)!

See you soon and stay safe.

Bob Brandt

MAY 12 MEETING

Hangar flying at 7:00 pm Presentation at 7:30 pm

Our membership count is growing and we want to make sure that every student pilot, long time pilot, aviation supporter, CFI and other person knows they are welcome to attend and consider becoming a regular member. Please spread the word.

Remember that:

- 1) Our chapter has great tools to loan out to paid up members
- 2) We have Tech Counselors & Flight Advisors to consult with

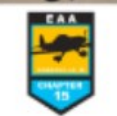

The membership form is attached for you to fill out and mail, or you can bring it and pay for 2023 dues at an upcoming meeting.

Let's recruit!

*Copy the membership application page
and send it to 3 pilot friends with a
request to join!*

*EAA Chapter 153 membership dues are
the best bargain in Chicago Aviation!*
