# May Gathering

May's gathering was at Louisville Airport 2J3. Special thanks to Pierre for opening up his hanger and letting us in. It was great to look over his RV12. What a cool Project. Van's Aircraft does a great job of making it, so the airplanes go together without any issues. All the engineering and forethought was impressive to see. Pierre is planning on using a UL Engine for his plane. He is making great progress with the plane. He says his biggest challenge right now is that he is waiting for delivery of the finishing kit from Van's. Their lead time has changed a bit.

Looking at Van's website they say that the average is that there are 1.5 VAN'S Aircraft taking their 1<sup>st</sup> flight every day. That is very cool to think about. Below are the spec's for the RV-12.

## May Board Meeting Notes:

No Notes from the May's Board meeting.

## June Gathering Preview: At Daniel Field at 9:30 am (KDNL)

June 12th gathering will be 9:30 am at Daniel Field. Aiken County Deputy Larry Schrade will be giving a presentation on the departments' Sky Arrow 600. Larry spent 21 years flying various aircraft in the Navy. He has been with the Aiken county Sheriff's office for 24 years and now serves as a Supervisor and Chief Pilot for the Sky Arrow. He will be bringing the aircraft to Daniel Field (weather permitting) for us to get a close up view.

We will have coffee and light snacks? 9:30 to 10 Fellowship, Hanger talking – bragging/lying, presentation from 10-11. Lunch will be at Village deli across the street.

## May's Eat-Out

May's social was held at West Lake Country Club, 3556 West Lake Drive, Augusta GA, The turnout was great below are some pictures from the event.

Thanks to Sheila Connell for the pictures from the Eat Out.

West Lake Country Club puts on a very nice table and dinner

## Amelia Island Concours d'Elegance 2021

Ely and I wanted a weekend getaway. I talked her into going to the Amelia Island Concours d'Elegance car show. We flew down to Saint Simon's Island and stayed in a Bed and Breakfast for the weekend. On Saturday we flew from KSSI to Fernandina Beach Airport KFHB. The car show is their Master's. They had 1 runway closed to park the private jets and were saying that on Sunday they would need to close one of the other runways for parking airplanes as well. The NOTAM had me call before we left to get permission to land. The permission was good for a 4 hour window. We landed, parked and the FBO gave us a golf cart ride over to get on the bus to take us to the car show. There was plenty of cars in all different ranges. From early cars to Detroit Muscle cars to exotic imports. We had a fun weekend that was way more relaxing by flying to it rather than driving all the way down there.

# Request for content for the newsletter

## Newsletter Ideas

The newsletter is for the benefit of the club. Here are some questions I have, to see if anyone has anything for an upcoming newsletter.

Technical articles on how you solved a challenge, new products, techniques, etc.

Anyone have a cool story about a flight: first flight, trips and cool destination, events, flight where you achieved an "ah-ha" moment. Any "\$100 Hamburger" destinations.

Photo essays related to anything involving aviation or members (destinations, "gatherings," shows, etc.)

Anything that flying has allowed you to do, see, visit,.

Any news of interest to the group. Essays of interest to readers.

Challenges for experimental aviation (e.g., insurance, price of fuel, services, FAA, etc.)

Photos with captions.

Looking for volunteers for Member profiles.

## Advertisements

### Free advertising!

Do you have stuff in your hanger that you would like to clear out and make a few bucks? Do you have some aviation books or supplies that you will never need again?

Do you want to get it advertised in next month's newsletter? Send your list of stuff WITH prices to Tom DeGroodt at [Degroodtt@gmail.com](mailto:Degroodtt@gmail.com)

### WHERE TO FIND US:

EAA172 meets every 2<sup>nd</sup> Saturday of the month at several locations around Augusta, GA throughout the year. However, our primary meeting place is at our chapter clubhouse on Pea Patch Aerodrome (61GA) in Blythe, GA. Take Route 1 toward Blythe, turn south at the Citgo/Quik Mart station onto Bath-Edie Road. At the first intersection, turn right onto Patterson Road and follow ¼ mile. Make a left turn onto Boulineau Road (across from the Rec Center) and drive 1 mile. The entrance to Pea Patch is on your right. The clubhouse is at the end of a row of hangars next to the grass strip, just south of the windsock.
