Chapter President's Message

As this year is coming to a close, I want to take a moment to thank all of you who attended chapter meetings and events, helped with clubhouse cleanup and renovations, volunteered as a guest speaker or event coordinator, and supported our chapter in so many different ways. I and the other board officers appreciate your support!

Your newly elected board met after the November member gathering and began planning for 2024. We have lots of ideas for meeting topics and fun activities. Our members are scattered throughout the CSRA, so we will occasionally have member gatherings at other airports or home workshops. We want to hear your ideas, too. Please feel free to contact any of the board members with suggestions, questions or concerns.

Our chapter is a group of people who are passionate about aviation. I am excited to be your chapter president, to promote the 'spirit of aviation' in all that we do.

Wishing a bright and happy holiday to you and your family!

Sandy

November Meeting Recap

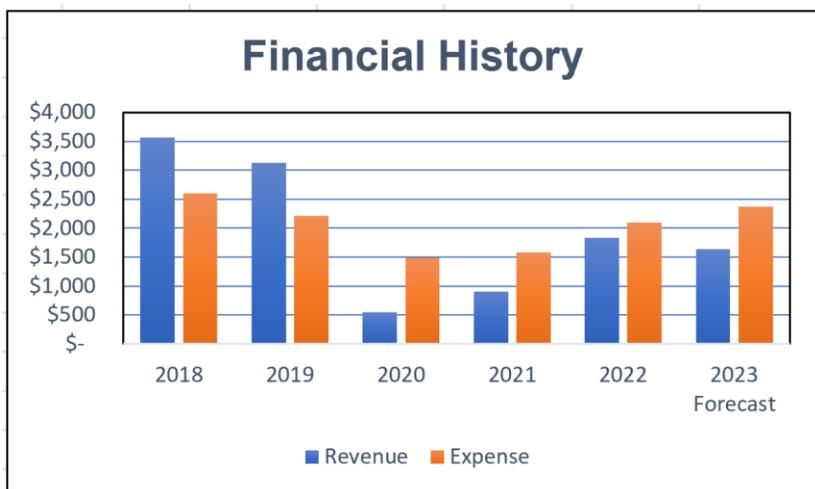

Our November 11th meeting was our annual business meeting during which we elected chapter officers for the coming year. Sandy Walther is taking on the role of President, with Al Nodorft continuing as Vice President and Ronna Hiltz continuing as Secretary. Jim Maher will take over as Treasurer.

Thank all those who shared their favorite Thanksgiving foods for our chapter meal!

After the business part of our meeting, we were treated to a slideshow of picture Charles Lewis and his wife took during their vacation, flying their airplane to Michigan. One highlight of their trip was visiting the Henry Ford Museum of American Innovation. Charles said he was reminded of the movie “Plane, Trains and Automobiles” because he saw exhibits of all three at the museum. They also flew to Mackinac Island, home of nearly a hundred fudge shops, as Charles claimed, and the famous Grand Hotel. Thank you, Charles for sharing your pictures.

Treasurer’s Report

Chapter revenues (from membership dues and meal donations) are not covering our chapter expenses, so the board has decided to increase chapter dues to \$35 (was \$30). Frankly, our membership and meeting attendance has declined, so the board is working on strategies to recruit more members. Please do your part by renewing your membership and participating in our meetings and events.

Current cash balance is \$3,913.

2023 Forecast includes estimates for annual insurance, December utility bill and property tax, and membership dues.

Chapter Membership

It’s time to renew your chapter membership! Chapter dues will be \$35 if you pay by December 31, then will be \$40 for those who pay late. Please bring your dues to the our holiday party on December 9th or mail a check payable to “EAA Chapter 172” to Sandy Walther, 2220 Gregory Lake Road, North Augusta, SC 29860.

Your dues help fund our chapter’s activities and right to operate (insurance, taxes, utilities, maintenance). We have an exciting year planned with guest speakers on interesting aviation topics and several fun events. For updates on chapter activities, watch your email for these monthly newsletters and visit our website at <https://eaa172.org> or our Facebook site “EAA Chapter 172”.

We look forward to seeing you at our monthly chapter gatherings and eat-outs!

Plan to join us in January when we resume our monthly Eat Outs on the fourth Thursday of each month.

Have a wonderful holiday season!
