Winter blues

Unfortunately its that time again where the weather forces most of us to ground with low clouds and unfavorable weather. So rather than feeling down right before many of us celebrate Christmas I'd like to take a moment to go through some of the achievements our club has had this year with a quick picture montage.

PS Meeting tomorrow 12/19/23 is election night. Dont make the same mistake I did and miss that one, You may wind up as an officer:)

FIRST TIMERS

First EAA
219 Ray
Scholar

First EAA 219 Eagle flight

First solo flights, Adam above
and Bryson below

First trip to Oshkosh

EAA 219 seeking officer nominations

The EAA yearly officer voting time is coming up next month. Officer positions that are open this year are

Vice President, Currently held by Rex Nielson.

And

Treasurer, Currently Held by Tom Currin.

Both have said that they are fine with staying in position but if someone wants to take over they are fine with that too.

Serving as an officer on the board is a great way to help shape the club for years to come and getting other club members trained up in these positions helps keep the club healthy. FYI each term is only two years

Club meeting night agenda.

Meeting starting at 7pm doors open by 630 coffee and cookies available

Main focus for the night is electing of new and or slightly used officers, and Joe S. has agreed to do another short vmc related program involving skids and more.

December Board Meeting
