Biannual and Medical taken care of. Insurance payed and now get the annual done on the 140. Garden is still semi flat dirt and nothing green. Work schedule is changing daily. Others vacations plans are a go and then not. My work week depends on others work week.

The Big Blue UAV Hangar is mostly closed up. The former Airbus Hangar is filled again. The Radisson Hotel foundation is set. WOW. More dust and ground traffic on the airport. There is a new temporary tower behind the UAV Center and the radio station. About 30 ft. high. Has a flag not lighted! That area is now fenced in with chain link and parking lots.

Looking forward to Neilson Fly out and the monthly fly out to Donnelly Id U84. Young Eagle event at College Place WA date changed to June 27th. Will be there as ground Crew.

Gathering called to order at 1906

7 members in attendance in a combo meeting of Club house and Zoom.

2021

College Place WA, Young Eagles event scheduled for June 5th has been rescheduling to June 27th. This is a Sunday. Ground crew and pilots are always needed. There will be food and lots of great flying.

EAA 219 Young Eagle event will be August 14th. Expect 20 to 50 Young Eagles. Ron will get that information sorted out in the near future. There is not staging area yet.

Dart board fly out Going to U84. Donnelly Idaho south of McCall Idaho. Basic course 116 degrees, 129 NT miles. This is grass strip at 4860 ft. Density altitude will be a factor.

Athena Fly In. Good turnout. Flour Bombing and Spot landing. Great Video of the event. Hope that event will be annual event.

Financial Report read and accepted.

Sundowner Project. Sunday is weekly work party. Rex is heading this part of the Project. Muffler and exhaust mounted and secured, Motor mounts on, fuel gages sending units are still a problem. Checking of cables and other projects. Wingtips are needing some attention.

Hangar flying and cookies.

Gathering closed 1945.
