REQUIREMENT**

# HOLIDAY PARTY

## Holiday Party is a wrap

This years holiday party was a successful and fun potluck event thanks to everyone who brought all the delicious foods! We had a great selection of goodie's to choose from with the highlight of the dinner being the tri-tip that Rex and Ronda donated and cooked (I'm still having savory dreams about it lol) and the smoked ham donated by Dustin and his wife from Hill meats. While I could go on about all the wonderful food I'm already late getting this letter out.. Thank you to everyone who helped out in the set up and clean up of the event. Looking forward to another great year and to see how we can top ourselves next year!

# EXTRA EXTRA READ ALL ABOUT IT

## EAA Club Survey

The EAA yearly survey is a often overlooked but it is very important that as many of our members complete as possible. This short survey needs to be completed by January 1st and can help guide the club in a direction as to what members are looking for in their club and to let the board know if members are satisfied. Please take a Moment to fill out the short survey found [here](#)

## Local membership dues

Club dues are due January 1st. Dues this year are same as last year (\$40) please make checks out to EAA 219 and get check or cash to [Tom Currin](#). Checks can be mailed directly to Tom at

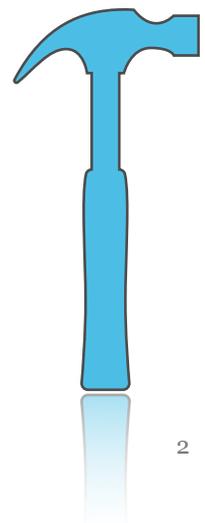

Tom Currin  
208 N.E. Furnish  
Pendleton Oregon 97801

## Chapter 604 Young Eagles workshop

Susan Chlarson has scheduled a YE workshop for 9:00-3:00. January 28th (Saturday), 2023. All participants will need to have current Youth Protection status; if you need to update it here is the link: [EAA YE Youth Protection](#)

This could be something our club may do in the future so it can be a win win for our chapter to help out with this event.

If interested please reach out to [Ron](#) or [David](#) for more info

## December board meeting

EAA Board Meeting 12/15/2022 7:00 PM Zoom

Rex, Jordan, Ron, and David

- \*Insurance for pancake feed Jordan to talk to national.
  - \*Ray Aviation Scholarship application due end of January, someone besides Ron needs to apply for the funds. \$10,000 grant to further aviation in a certain timeframe of milestones for qualified candidate. David will get login information over to Ron/Rex this week to access site
  - \*College Place is doing YE workshop Jan 28 which gives them credit for club recognition. We should help out to see if it is something we want to do in the future. Helpers must have youth protection up to date in order to volunteer. More discussion at general meeting
  - \*Ron has to do a risk management program for YE coordinator, it is recommended for all participants to do.
  - \*Club recognition forms need to be filled out. Will have link in newsletter
  - \*The funds for shirts came out to the credit we had on account (\$580). Using Creative Signs to put the shirts together, they will invoice us, we will send invoice to national for reimbursement. Total cost of shirts and hats \$580.86
  - \*Chapter survey in progress, we do not have a way to see our progress until the very end results come back from national.
  - \*Club insurance is coming due with the chapter renewal, will be \$483. Membership roster uploaded to national, with dues at the end of this month we should have a very good roster. Need updated contact info from club Dues are \$40 and are due at the end of year for local membership. Rex/Rhonda donated tri tip for holiday party.
- Adjourn 7:27

Riley Byrd

**Next General  
meeting  
December 20  
at 7pm**

# VMC Question December

**Question:** In most production, light general aviation aircraft, which instruments rely on a vacuum pump for operation?

Special note, be careful when googling “vacuum pump” in images...
