November 2015

President's Message

Hello Everyone. I look forward to seeing you all this Wednesday and sharing our recent flying adventures and stories. I have been enjoying my RV-8A and Chero-

kee and riding along with Bill Wallbeck in his RV-6 (yes, it is back in the air again). And to top all that I was honored to ride along with Andy Millin recently in his absolutely gorgeous Velocity XL. WOW, and has anyone mentioned lately that Andy's Velocity earned a Lindy Award at OSH in 2014 for Outstanding Workmanship? It is still beautiful (except for some bug splatters but that's good too because it means the airplane is getting used) and it flies and performs beautifully. Thanks Andy.

But wait! There is another award winner in West Michigan.

OSH Award Winners! Congratulations to all the RV builders who won awards at Oshkosh/Airventure. One of these RV winners was David Duperron from Rockford who earned a 2015 Kit Champion Lindy for his beautiful RV-10. Thanks to member Dave Leith for making the arrangements, Dave Duperron will be our guest speaker this Wednesday and will share his "great big adventure" with us along with some pictures.

*Unless otherwise specified, our chapter meetings are the first Wednesday of the month at 7:00 p.m. at the **Airzoo Flight Center Classroom** on the west side of the Kalamazoo-Battle Creek International Airport.*

last month the individual with the highest score on the Michigan Geography quiz was Phil Newberg and he chose a ride in my RV-8A. We took off on an absolutely still and beautiful early morning flight all the way to at Plainwell for a delicious breakfast where we met many other local fellow pilots. Thanks Phil for the enjoyable time together and the opportunity to share a little "stick time".

See you soon,
