

The CHAPTER 221 FLYER

Proudly Serving the Experimental Aircraft Association Chapter 221 in Kalamazoo, Michigan
www.EAA221.org

July 2015

President's Message

Hello Everyone.
Sorry for the late notice, but for those of you who do not already know, there will be no meeting on July 1. It will take place on July 8th

instead and will be at the Plainwell Airport. It will be a Pot Luck Dinner Meeting in combination with the Plainwell Pilots Association. Even if you don't have time to cook, come anyway! Hangar Flying 6:15 PM – Dinner at 6:30 – meeting at 7:00.

For more information about the PPA, see <http://www.plainwellpilots.org/>

I wish for good weather for those of you who want to fly in.

I also want to remind you that there will be no meeting in August, a carry-over from when the EAA Convention often took place in late July to early August. AirVenture takes place a bit earlier this year but I think it's still a good idea to skip the meeting because so many of us are busy or still trying to catch up from time spent at Oshkosh.

See you in September, or perhaps at Oshkosh,

Bob Aardema
President, EAA Chapter 221
