

President's Message

Hello fellow EAA'ers.

Wow is time flying by quickly! October's meeting turned out to be a great time hearing all about the space artifacts the AirZoo has.

The November meeting is the election meeting and we know for sure office of treasurer will be open as Bill Wilson is stepping down.

See you soon at the November meeting and try not to eat too much Halloween treats.

Brian Klenoski, your chapter prez.
Over and out

See the event calendar [here](#).

Newsletter space available. Please send any stories, for sale items, or other information that would be of interest to the chapter to the newsletter editor at skyview-flier@gmail.com.

Monthly Chapter 221 Meeting

Member projects, Best of YouTube & Elections

Wednesday November 1st

At the Air Zoo FDC

Gates open at 6:30 pm

The meeting will start at 7:00 in the FDC classroom.

[Air Zoo Flight Discovery Center](#)
[3101 E Milham Ave, Portage, MI](#)

Bring your project questions and join the discussion. We'll have plenty to talk about.

Also, being that this is elections month...Bill Wilson plans to step down as Treasurer, so if you know a savvy money guy, ask them to step up and take Bill's place.

Also, please put your hat in the ring or nominate someone for any leadership position. We encourage everyone to participate.

VMC Club Meeting

The next VMC Club meeting is November 8th, 2023 at the [Travelers Cafe and Pub](#), [5225 Portage Rd, Portage, MI](#). Show up at 6:30 if you want to order dinner. Meeting starts at 7.

Last month we discussed flight when ceilings and visibility were lower than planned for. Weather patterns were discussed, as well as the use of the new NWS [AWC](#) products.

Our [VMC Club monthly meeting](#) is where local pilots can network and share their knowledge and experience flying in the SW Michigan area. The meetings use real-world scenarios to engage members, and encourages a free exchange of information that improves awareness and skills.

We look forward to seeing you there.

For Sale

Continental C85-12F Engine
S/N 23973-6-12.

TT 272 Hrs / 11 Hrs SMOH.

Have all Logbooks.
