July 2014

## President's Message

Our meeting in July was a fly-in / drive-in meet at the Plainwell Airport for a potluck. This was a joint Plainwell Pilots Association / Aviatrix / Chapter 221 meeting. (Note: many of the PPA and Aviatrix members are also Chapter 221 members) Andy Millin volunteered to barbecue brats and Tim Popp prepared sweet corn. There were several members that took the opportunity to fly in and we spent the evening talking about aviation. The food and company was great! I counted 45 folks.

Our September meeting will be an Oshkosh recap at the AirZoo East Campus theater. We will start with a special viewing of two Chapter member aircraft. Tim Popp got his RV-7 painted and you "need" to see it. Andy Lincoln's Rans S6S is about done and he's hoping to have it taxiing, if not flying, by Sept 3. After we drool over the beautiful airplanes, we will convene in the theater to share Oshkosh experiences. Bring your favorite Oshkosh story. See you Wednesday, Sept 3 at 7:00 PM.

Fly Safe,

**Dave Hull**

## AirVenture Images by Daniel Flanagan

Our EAA Chapter is lucky to have Daniel Flanagan. Daniel is a fantastic photographer. Daniel will be bringing some of his photos from AirVenture to our next meeting. For now, here is a sample of what he caught with his camera.
