

The CHAPTER 221 FLYER

Proudly Serving the Experimental Aircraft Association Chapter 221 in Kalamazoo, Michigan
www.EAA221.org

January 2014

President's Message

We had 25 members at our December meeting at the AirZoo. Our guest speaker, Herb Harney, shared both the organizational challenges and execution of a group cross country adventure. The adventure he coordinated was for EAAers in the

Grandville, Zeeland, and Holland area to a couple backcountry airports in Idaho. Herb had excellent suggestions for how we could duplicate his group cross country process.

Our traditional January Winterfest meeting will be Saturday, Jan 11, at the Main Street Pub in Vicksburg. Our guest speaker will be Gail Rouscher, an A&P and WMU instructor. Social hour will begin at 5:00, order off the menu at 6:00, and speaker at 7:00. I've ordered warmer weather for the weekend and hope to see you on the 11th.

Dave Hull

President, EAA Chapter 221

*Unless otherwise specified, our chapter meetings are the first Wednesday of the month at 7:00 p.m. at the **Airzoo Flight Center Classroom** on the west side of the Kalamazoo-Battle Creek International Airport.*

Anyone Need Help with their Project?

Are there any build projects that need an extra set of willing hands there in the Kalamazoo area? My Dad has a Piper Cherokee 180 that I've helped on. Would love to give some free help to any homebuilders in the AZO area.

FOR SALE VW Engine, Ron Kinney (owner of Woodward's Garage in Kalamazoo) has for sale a VW engine all set to go into an experimental homebuilt. The engine is completely rebuilt and set up on a test stand for its test runs. It is equipped with a caged prop and was originally intended for use on an airboat or iceboat. Anyone interested could watch it run. Ron can be reached during the day at 269 345 7690 or in the evenings after 7:00 at 269 279 7366
