**September 2015**

### **3<sup>rd</sup> Thursday meeting agenda—September 17, 7PM, Sherman, TX Municipal Airport**

Lawrence Davis will be presenting a seminar on X-planes. “X-Planes” are a series of aircraft build for research advancement, most with no intended production planned. However, there have been many X-planes that went into mass production! Note: This is a retry of the August 20<sup>th</sup> meeting. This is X-planes, 2.0!

Board of Directors meeting preceding the meeting at 6 PM.
