If you need anything from Wag Aero or Champion contact David Gunderson and he can pick it up when he goes to Wisconsin.

Program

Two Ellsworth RAPCON sergeants gave a briefing explaining who they are and what they do for us. They answered questions about their airspace and how to interact with the military operations in the area. They also offered to provide a tour of their facilities. A sign up list was initiated for those desiring to take the tour which is needed so they can arrange for base access.
