Next Meeting

Saturday, September 14, 2013

7 P.M. @ the Mt. Evans Room in the Terminal Bldg. @ Metro Airport. Our program is tentatively scheduled to be a presentation by mentors and students from the STEM (Science, Technology, Engineering, Math) School Academy, a charter school in Highlands Ranch. The students have been involved with payload design and a recent rocket launch in a partnership sponsored by United Launch Alliance and Ball Aerospace Technologies Corp.

Editor's Corner

It was with sadness that I learned of the passing of Paul Poberezny on August 22, at the age of 91. He had a long life, filled with accomplishments that positively impacted and enriched the lives of so many of us. I feel very fortunate to have met and talked to Paul several times over the years at Oshkosh. He will be missed and not forgotten. Godspeed, Paul.

On a happier note, Amelia Earhart's foundation (Amelia is with Channel 9 News) has granted a scholarship to Young Aviator Destiny Krell to pay the remainder of her flight training through her private pilot check ride, in full! A big congratulations to Destiny!

John

If God had meant man to fly, he would have given him more money.

Some photos taken by *Pat Miller* at the Erie Air Fair, and at the Rocky Mountain Regional Airshow...

From Pat Miller -

We got a report that nearly 4000 kids went through the Venture Zone at the Regional event. Those kids are the future of aviation.

To all of you wonderful people who helped out at the Erie Air Fair and the Rocky Mountain Regional, a huge **thank you!**

Some additional pictures from Dave Bieseimer at the Erie Air Fair and our Chapter meeting on August 10th, ...

Air Academy Camperships & Academic Scholarships

*Submitted by **Steve Beach***

The scholarship committee would like to give Chapter 43 members a heads up that the selection process for 2014 will be moving up. Instead of interviewing candidates in the January / February timeframe the committee will be interviewing in December of this year. The scholarship awards will be announced in January rather than at the picnic in April.

The reason behind this change is newly discovered scholarships that are available from EAA. Many of these scholarships have been around for many years and mostly undiscovered. Because very few EAA members know about them some aren't awarded every year because they simply aren't applied for. If we make our selections early in the year, before EAA's February deadline, it will allow the applicants that aren't awarded a Chapter 43 scholarship a second chance to apply for the opportunities at the national level.

Start to think about who you know that would be a good candidate for either an Air Academy Campership or an Academic Scholarship. The application deadline will be officially announced at the meeting in September but it will probably be in middle to later November. The application form is on the 43 website:

<http://www.eaa43.org/scholarships.htm>

Dates for the 2014 Air Academy Camps:

Ages 12 and 13	Session 1: June 23 – 27, 2014
Air Academy Young Eagles Camp	Session 2: June 29 – July 3, 2014
Ages 14 – 15	Session 1: July 7 - 12, 2014
Air Academy Basic Camp	Session 2: July 14 - 19, 2014
Ages 16, 17, and 18	Session 1: July 22 - 30, 2014
Air Academy Advanced Camp	Session 2: August 1 - 9, 2014
Ages 16, 17, 18 and 19	Session: August 11 - 17, 2014
Air Academy Advanced / Sport Air Camp

AND ONCE THEY'VE SHUT DOWN THE AIRPORT
HERE, WE WILL GO AFTER ALL THE OTHER
SOURCES OF NOISE! FIRST WE WILL GET
RID OF THE ROADS.

AND THEN
CHILDREN!

AND THEN
THE RAILROAD!

SHUT IT
DOWN NOW!

THE AIRPORT
MUST GO!

Young Eagles Report

Submitted by Terri Bazacos

YOUNG EAGLES RALLY

Saturday, August 17, 2013

On a gorgeous Saturday morning, twelve youth came out to the Erie Tri-County Municipal Airport to participate in a Young Eagle Rally.

First stop – Registration with Ron Miller, Daphne Davenport, and Phyllis and Ken Scott.

Second stop – Learn what makes an airplane fly with Dave Bieseimer.

Third stop – Are those hot air balloons going to land here???

Fourth stop – Airborne with Eric Serani, Tony Garrett, Jean-Pierre Verdier, Dave Bieseimer, Terri Bazacos, and Herrill Davenport.

Fifth stop – Those hot air balloons really did land here.

Sixth stop – John Reuterskiold directing planes... and balloons???

Seventh stop – Certificates and pilot log books.

Eighth stop – Greg hall caught it all on camera.

Ninth stop – What a fun day at KEIK for all!!!!

Tenth stop – Want to volunteer? Please contact Terri Bazacos at tbazacos@gmail.com or (559) 618-0159.

Up-to-Date YOUNG EAGLES information is available on the website -

<http://www.eaa43.org/youngeagles.htm>

Latest updates and information... *By Scott Serani*

Our last meeting was not so much a meeting as a gathering at the Rocky Mountain Air Show with the Young Aviators showing off their workmanship and having a great deal of fun inside the Adventure Zone for 2 days. They brought both simulators and let close to 600 youngsters sit in and operate them. Smiles and laughter occupied 2 straight days – not to mention the fact that everyone got to spend 2 days at an airshow.

OUR NEXT MEETING(s):

Our next regular meeting will be held on Saturday, September 21st from 11am to 1pm at Scott Serani's hangar.

We have a special guest speaker committed to this next session!
Amelia Earhart (9 News) will be attending to talk to the YA's about her planning for her upcoming round the world flight.

Following Ms. Earhart's talk, we'll be getting back at the big simulator – with our objectives set at mounting rudder pedals, joystick and interfacing with the computer.

For those interested in learning more about **Young Aviators**, feel free to contact: Ms. Pat Miller: email - millerr967@aol.com
or visit us at youngaviators@eaa43.org
