Young Eagles:

- Bob Lee is still working on Young Eagles flight training of 14 to 18 year olds. The group has an Erocoupe.

- Bob Hoover is still fighting for his right to fly.
- Auto Fuel for aviation: Avgas is .2% of total fuel produced in this country. New fuel 82UL to appear shortly. It will be a purple color. New aircraft will use this new fuel.
- Catch me at the next meeting as I will have a bag of books to sell from my library.
- Brad Davenport was voted into the Colorado Aviation Hall of Fame. Brad was one of six individuals and one corporation that were inducted in unanimous vote from the Colorado Aviation Historical Society. Brad was sponsored by his son and fellow member, Herrill Davenport. Herrill put together the necessary album noting Brads life, as it pertained to aviation in the state of Colorado over these many years. He did an excellent job and we encourage all of you to get a look at it when you get a chance. (Was Brad ever really that young?) Many thanks to all of you who submitted back up letters of support to help win this honor for Brad. You will find your letter in the album.

You all have the opportunity to see Brad inducted formally, if you would like to attend the Colorado Aviation Hall of Fame Banquet at the Officer's Club of the Air Force Academy on October 28, 1995. Reservations are required and the ticket price is \$30. For more information call Harry Blout, Banquet chairman at (719) 495-2432. Social hour is at 12:00 noon and lunch is at 1:00 P.M. Further information will be forthcoming including possibility of a charter bus down to the Springs.

Although a steep price, I would encourage as many of you as possible to attend to show your support of Brad and what he has meant to us and to our aviation community here along the front range all these years. Congratulations Brad, we are proud of you and are happy you've received this recognition. You deserve it!! Gene Horsman

T The Presidents Corner: **T**

Our trip to Montana last month went well. Strong tailwinds coming back allowed us to achieve ground speeds of greater than 235 MPH That was nice! My thanks again to Charlie Graf for stepping in when asked!

This month's meeting will feature a video tape from Gene Milligan.

A few of us flew up to Spearfish, SD the weekend of August 26th for an EAA sponsored Fly-in. It was a very enjoyable 1 day fly-in, and the Colorado people came home with several trophies. Bob Wilson received the "People's Choice Grand Award" for the Long EZE. Mas Yoshida was the "Grand Award Winner for the Kit Built: with his RV-6. Vicki and I won "Grand Award Plans Built" for our T-18. We also brought home the "Farthest Flown" award collectively. Since we're all based at Jeffco, we kidded about whose hangar was farther away. It was a nice trip, and the people were great.

These next two months are chock full of fly-ins, and we intend to make it to as many as possible. The fall usually gives us some of our best flying weather. Get those projects completed, and flying, and Join us! *John*

Other Items:

- Fly-in at Yuma, cosponsored by Aero Spray, Inc., Sept. 30, 1995 with breakfast at 7:30 and bombing contest at 10:00 am, lunch to follow. Call for more info 970-848-5840
- Aircraft show sponsored by the Cadets of the CAP. Sept. 9th from 10am to 4pm. We are invited to show our aircraft. For more info call Michael Gregory at 964-5342.

EAA Launches New, Monthly, TV Series

In its continuing effort to bring the thrill of sport aviation to the general public and cultivate new membership; EAA has made a significant commitment to bringing the excitement and intrigue of sport flying right into your home. "*Ultimate Flights*" is EAA's new monthly TV series which airs on ESPN2 and features all new programming each month on what is currently happening in sport aviation.

To ensure that no one misses a single show, EAA is offering the programs for sale on VHS videocassette at very reasonable prices. We want our Chapters to be among the first to have access to these shows for use in their homes and communities and the 20% Chapter discount applies to the purchase price.

We have enclosed a flyer/ad/order form with this letter which gives the details of this exciting program. Please make copies of the form and give them out to your members at your next Chapter meeting and *PLEASE* include the form in your next Chapter newsletter.

As always, we appreciate your support and follow-through in helping to expand our membership programs.

If you need any additional information or materials on "*Ultimate Flights*," please contact Anita Infante in EAA's "*Ultimate Flights*" office at (414) 426-4813.

MORE THAN A SHOW... IT'S AN EXPERIENCE!

"Ultimate Flights" is dedicated to complete coverage of recreational or sport flying — and we bring the excitement right into your home *"each month!"*
