Items/Matters discussed:

- Ron Alexander legacy
- The youth program at Peachstate
- Other organizations meeting regularly at Peachstate/Barnstormers Grill; eg the QBs, Warbird Chapter 31
- Chapter 468 status with National EAA, renewal to be processed soon
- Continuation of Chapter 468
- Location of Chapter 468 Peachstate / Thomaston
- Logistics of the meeting place, time and what activities would be done
- Both Keven Sasser owner of Peachstate and Mitch airport manager at KOPN are offering any assistance they can to host Chapter 468 and events sponsored by the Chapter
- Membership - there's a list of some 310+ email addresses, additional prospects with phone numbers, and followers of Chapter 468 Facebook group
- Involving youth in Chapter 468 - the challenge for Chapter longevity
- several youth regularly meet/fly together

EAA Chapter 468 Minutes

- Chapter owned Crome notebooks, tents, grills, and other items
- Chapter checking and CD accounts
- Chapter credit cards
- Chapter credit card processing with Square
- Chapter 468 merchandise available
- Young Eagle Day events
- the KFFC Falcon RV Squadron is seeking help from an EAA Chapter so that they can do the events; preferably at KFFC but are open to KOPN.

Warbird Chapter 31 at Peachstate will not be hosting Young Eagle Day events and might be interested in helping other events.

- having a “smaller” event at KOPN soon
- necessity of pilots and others to be members of EAA as well as passing back ground checks
- dues are either \$30 or \$35; were not collected for 2021, 2022 and 2023
- having a booth/display at events selling merchandise created a lot of interest as well as members
- experimental day event was successful
- would need Tracy Wallace’s permission to have pancake breakfast/hamburger-hotdogs cookouts on his property; however per Keven he is open to those events on his property (just needs adequate notice)
- question to approach Keven Sasser with would be his willingness to provide a place for the Chapter to build a meeting room
- it was reported while there was interest from several pilots at Thomaston for the Chapter being located there; no one from there, as of the time of the meeting, indicated interest in being an officer

Next Meeting scheduled for March 7, 2023. Location to be determined.

Charlie Kerscher,
Secretary
