## OCT 2022 NEWSLETTER

**WINGS - FORECASTING  
WINTER WEATHER WITH  
LISA HAHN  
MONDAY, OCT 17,  
DINNER AT 6:00  
PROGRAM AT 7:00PM**

### PRESIDENT'S AIRSPACE

It is a beautiful, warm, October day with high ceilings, light winds, and a clear sky. I'm sitting on the ramp after making a few laps around the pattern and just trying to soak it all in.

Thoughts of tomorrow's cold front have me thinking about the tremendous summer we have had. With fly-ins and fly-outs and summer camps and picnics and of course Oshkosh, hardly a week has gone by without a chapter activity.

We just held our fall fly-in a few weeks ago and big thanks go out to all the chapter volunteers who made it a success!

**Mark McKee** won the airplane mailbox that we raffled off this summer. Thanks to **Sherry** for making that all happen.

As Fall sets in, we still have plenty of things to do. We will hold elections at our November meeting (see details below) and we have our Christmas party on December 3rd.

This is also when we start to think about programs for next year. In order to plan relevant programming, The planning team always wants to hear your ideas for events that we should hold next year.

In other news, it looks like we will soon have a rental aircraft available at 7G8. **Ric Blamer** has recently purchased a Piper Archer II and will be setting it up in a flying club format. Contact **Ric** if you are interested in renting this aircraft.

## NEW MEMBERS

**Dale Crawford** - Dale is a CFI who recently purchased an RV-12 that he keeps at Warren-Skeets (62D)

**Anthony DeGaten** - Anthony is another local pilot and regularly attends our events and decided to get in on the rest of the fun we have.

**John Kochy** - John flies a Bell Jet Ranger and a Turbo Commander. He is the principal engineer at Airwolf Aerospace.

## NEW AIRPLANES

**James Thompson** - Is a student pilot who recently purchased a Zenith 601 XLB to learn in. He is keeping it at 7G8 and is receiving instruction from Ric.

**Ric Blamer** - Ric just purchased a Piper Archer II. He intends to use it to provide both primary and instrument instruction.

## UPCOMING EVENTS

### OCTOBER PROGRAM MEETING

Meteorologist **Lisa Hahn** will discuss how winter aviation forecasts are put together, icing forecasts, how wind direction and fetch over the lake create forecasting problems, how the lakes create aviation impacts due to snow, ice and wind.

We'll start this evening with the usual potluck meal at **6:00pm**.

The chapter will provide burgers and brats. Please bring a dish to go with if you can. Our program will start at **7:00**. This will be a hybrid meeting where we will gather in hanger 3 at the airport and our speaker will present via zoom.

Meeting credentials will be sent out Saturday.

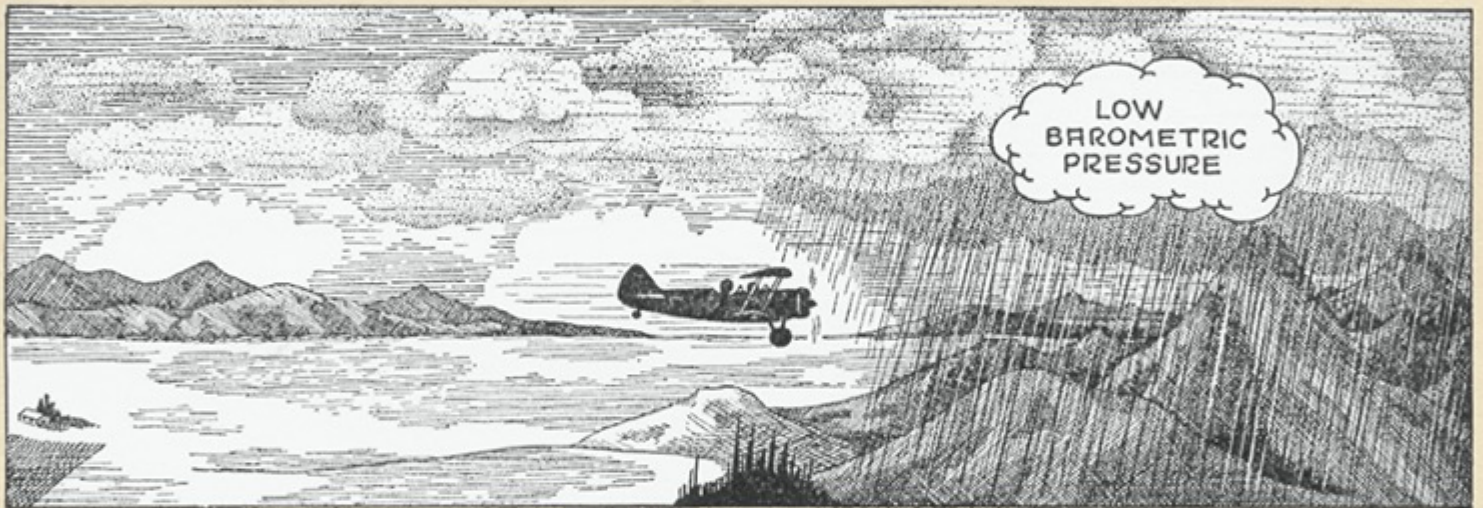

FIG. 213

### CLAMBAKE

We will hold this popular fall social **Friday, October 21**, at **6:00pm**.

Although it is too late to order a clambake, you are welcome to come out in the evening to enjoy the campfire that will begin When the clams are gone.

### IMC/VMC CLUB

Our October IMC/VMC Club meeting will happen on **Thursday, October 27**, donuts at **6:00pm**, meeting at **7:00**.

Meet over coffee and donuts with other pilots to discuss scenarios they have experienced and work through real-world IMC stories.

If you were in this situation... What would you do?

# RECENT EVENTS

## COMMUNITY AIRPORT DAY FLY-IN – SATURDAY, 9/17

Our fall fly in was quite successful. A large crowd of hungry attendees kept the kitchen crew busy all morning. The youth committee kept all of the kids busy. The Young Eagle team flew 112 young eagles. The ramp was very busy with YE planes and visitors coming and going all morning! A steady flow of transients, exhibit airplanes, and young eagle flights kept the ramp busy!

Stan explains what makes a 172 fly!

Just wait, in 20 years she will be an airline captain!

The WENNER family helps kids build rivet planes

Sherry Niederkorn and Tim Randall  
pick the winner of our custom aviation  
theme mailbox...**MARK MAKEE!**

Just one of 112 happy Young Eagles.

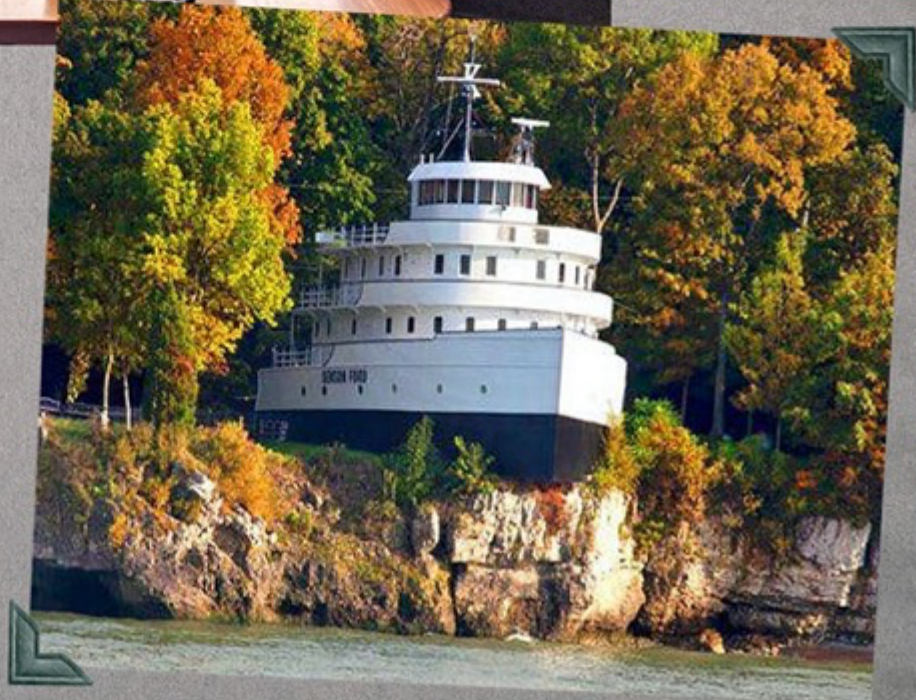

## ISLAND FLY-OUT SATURDAY, SEPT 24

We called this one  
Island Day at Put-in-Bay.  
14 members and friends  
flew up to the island,  
rented golf carts, and went  
into town for lunch.

After that,  
we gave ourselves a  
self-guided tour of the  
island including stops at  
the Benson Ford Ship  
House and the State Park.

## BUILD AND FLY

Seven of our young people have begun building a large RC model in our shop at the airport. They meet on Tuesday evenings from 5:00 until 7:00 p.m. All members are welcome to stop by and see the progress they are making.

## CHAPTER ELECTIONS

It's that time of year again when we elect new officers or directors for the next term. This year we will be electing new officers. Per our bylaws, a nominating committee accepts nominations for the four officers positions. So far the nominating committee has developed the following slate of candidates.

President	Tim Connor
Vice-President	John Yochum
Secretary	Greg Gyllstom
Treasurer	Tim Hatcher

Nominations will close at midnight on October 31st. If you would like to nominate yourself or someone else for one of these positions simply contact a member of the nominating committee. This year, the nominating committee consists of John Yocum and Rick Blamer.

John Yochum	<a href="mailto:jcyochum@roadrunner.com">jcyochum@roadrunner.com</a>	440 715 5662
Ric Blamer	<a href="mailto:pilotric@gmail.com">pilotric@gmail.com</a>	216 509 8858

## CHAPTER 5 MUGS

Available in the shop  
\$15.00 each!
