DEC 2022 NEWSLETTER

NO PROGRAM MEETING THIS MONTH

PRESIDENT'S AIRSPACE

First off, the holidays are upon us and I would like to send a very **Merry Christmas** and a **Happy New Year** from my hanger to yours!

This is when we reflect on the year behind us and look to the year ahead. It's been quite a year! EAA 5 scheduled nearly 50 events plus a few last-minute fly-outs. We once again set up our chapter camp at Oshkosh-Airventure and enjoyed a fabulous week of everything airplane. We did four Young Eagle events and three Pancake Breakfast/fly-ins - four Wings programs and ten IMC/VMC presentations plus a whole bunch of fly-outs. Finally, we wound up our 2022 schedule with a great Christmas party.

Next year's schedule is coming together nicely, look for it in the January newsletter or our online calendar!

Speaking of next summer's flying, we need your ideas for fly out destinations and meeting programs. If you know of a good place to fly to or have an idea for a program you'd like to see, respond to this email to let us know about it.

Also, we are looking for your best aviation related pictures to be published in the newsletter. Please attach them in a response to this email.

NEW PROJECTS

It's official, **Mike Weichert** is the proud owner of a **Zenith 750** project that he will be building in his basement

IMPORTANT! NO DECEMBER PROGRAM MEETING
