President's Message

Greetings EAA Chapter 524 and Friends,

I would like to wish you all a Happy Independence Day and hope you have a wonderful barbecue or two to attend!

As I prepare for my trip to AirVenture, I think of the opportunities afforded to me in this great country of ours. I hope everyone has a good two months and I'll see you at our meeting in August!

Wishing you clear skies,

Mark Gosselin
President
EAA Chapter 524

A Thank You Note from Rex

Hello EAA 524 members,

Last weekend we hosted and enjoyed the EAA Electrical Workshop. I want to especially thank the great volunteers we had all the way through. Their help made the whole process extremely easy and useful for everyone. The students also showed their appreciation and thanks as they left on Sunday afternoon.

We are booked for a metal workshop coming up in August. I'll let you all know when we get the exact date.

Thanks again,

Rex

August Program

For our August program, Airport Manager Rick Johnson will talk about current and future airport developments. If you are an FDK tenant or transient pilot, you will probably want to hear Rick. August 1, at 7:00 p.m.

Jack Fromm

Scholarship Update

Dean and Ernie report that both Raegan and Sydney have been getting some hours in on their flight training, although the May weather was not very cooperative for that. Both of them have been putting in impressive volunteer hours as well on both the Cub project and the AOPA Fly-in.

Here's hoping that the June progress report will show that the improved weather allowed more flight hours!

Cub Progress

Work on the Cub is moving along at a good rate. The project is at the stage where progress is very visible and big things are getting accomplished. Recent sessions have been comprised of mounting the engine, running tubes and cables through the firewall, installing the panel, connecting the rudder and painting. Both scholarship recipients, Raegan and Sydney, have been putting a lot of their volunteer hours in on this project. Below are some recent pictures that capture some of that work.

June Membership Meeting Minutes

06 Jun 2019

Meeting brought to order at 7:08 p.m. by Mark Gosselin

Today marks the 75th anniversary of D-Day.

There will be no Chapter meeting in July because of the July 4th holiday.

Mark G. announced that he'd like to secure the same camping area at AirVenture that we had last year. Anyone interested should coordinate directly with Mark.

Jerry reported that the Cub project has been making great progress. New lines and cables are being routed through the firewall. A new primer is being installed to replace the old hodgepodge job. An inspection panel was mislocated, but the holes were modified and the problem resolved. The rudder and cables have been installed, the right wing and ailerons are next to be painted, and the tailfeathers will receive another coat of paint.

Steve Gross is looking at an RV-10 kit in Boston, MA. He's looking for a partner (about \$30,000 investment over the next 3 years).

Rex reminded the Chapter that an electrical workshop will be held at our hangar on June 22 and 23. Setup will begin at around 1:00 p.m. on June 21.

Mark G. began his annual on his Zodiac. He's installing a GDL 82 ADS-B Out, as well. In addition, he said his nephews have joined EAA and started working on a RV-9A kit, beginning with the empennage.

Jerry announced the 7th Annual Gathering of RVs will be June 15 at DMW.

Mark G. announced that a borescope was donated to the Chapter's tool crib and can be checked out by seeing one of the Chapter officers. Many thanks to the generous donor!!!!

Earlier today an Avid Magnum departed the runway on takeoff and flipped over. There were only minor injuries, thankfully.

The Ray Aviation Scholarship recipient Raegan Buzzard has flown twice already since being awarded the scholarship. She's been training with Bravo and Brenda Tibbs expects the \$10,000 will get her all the way through training to finish her PPL.

The 50/50 Scholarship was awarded to Sydney Gunther, who has been working on her LSA.

Dan Morris presented his program "Future Air Navigation Services FANS/1A"

Meeting concluded at 8:28 p.m.

Submitted,

Erick Webb, Secretary

June Board Meeting Minutes

12 June 2019

Meeting brought to order at 7:06 p.m. by Mark Gosselin

Present were: Mark Gosselin, Mark Pankratz, Ernie O'Roark, Rex Bullinger, Erick Webb

Rex said the electrical workshop crate has been sent. Frederick Flight Center has been notified to be on the lookout for it. Doug Kohler (instructor) wants to be able to do setup on Friday 21st at 10:00 a.m. so he can drive home Friday night and save EAA hotel expenses. Rex will ask Jack to send note to Chapter that we'd like to have help beginning June 21 at 10:00 a.m.

Ernie reported that Raegan has been flying. \$720.50 has been sent for expenses. A good amount of time has been canceled because of weather. Brenda reports she's talented and doing very well. Has flown about 4 times and has had about 4 flights canceled due to weather.

Meeting adjourned at 7:41 p.m.

Submitted,

Erick Webb, Secretary

Upcoming Events

Chapter Meetings

August 1, 2019 @ 7:00 p.m. — Membership Meeting

August 8, 2019 @ 7:00 p.m. — Board Meeting

Other Events

AirVenture Oshkosh. July 22-28, 2019.

Chapter Program Schedule — 2019

Month	Program
January	The Rush to Build the Airplane, Part 2 – Jerry Blake

Chapter Meeting Location and Time

Chapter 524 meets the first Thursday of each month at 7:00 p.m. at the Aviation Education Center, located at the Frederick Municipal Airport. As you enter the airport, park in the Terminal Parking lot. Walk south past the Frederick Flight School (yellow building). There are signs on the end of the second row of hangars for the Chapter. Additional information can be found on the Chapter website.

Frederick Municipal Airport
330 Aviation Way
Suite J, Box #9
Frederick, Maryland 21701

Frederick IMC Club

Interested in learning more about IFR flying? Scenario-based discussions are available here. The Frederick IMC club meets on the third Tuesday of each month at 7:00 p.m. in the Chapter 524 Aviation Education Center/Hangar. More information about the club and its mission can be found on our website at www.524.eaachapter.org.

EAA Chapter 524 Membership Application

Annual dues are \$30 for individual or family membership. Fill out this form and return it with your dues to the Chapter Treasurer.

Cash or check accepted. Make check payable to **EAA Chapter 524**. Bring the form and dues to the next meeting or mail to **Ernest O'Roark, 809 London Court, Frederick, MD 21701**.

If you have a question about your membership, contact the Treasurer at 301-694-0053 or cadfael1@aol.com. These dues help support the Chapter and are not applied to the national organization.
