President's Message

Greetings EAA Chapter 524 Members and Friends,

I hope everyone's summer is going well, you only have a couple of weeks left to enjoy before we enter my favorite time of year, the fall. Cooler nights, sunny days with a little fog in the mornings, the leaves changing color, great views to enjoy at altitude!

We plan to have a picnic at our October Chapter meeting. Family members and guests are invited. The Chapter will provide the main course and baked beans, we ask members to bring some sort of salad or dessert. We will also have soft drinks of some type and you may also bring your own beverage. We hope to hear many summer stories, as well as flying ones. It will be open for progress reports and other tall tales! So, bring your family and enjoy an evening at our Chapter House watching airplanes and listening to stories!

Remember this is election year for our Chapter leadership positions so if anyone is thinking about serving as an officer such as the newsletter editor or Young Eagle leader or any other position please let me know.

Our Chapter has a lot going on for almost everyone and our plans are to keep it happening over the foreseeable future so don't hesitate to be part of the excitement. Trust me... you will not be disappointed!

Wishing you clear skies,

Mark Gosselin
President
EAA Chapter 524

September Program

Our presenter will be CAPT Brad Thompson on "MY JOURNEY IN AVIATION." Brad has just retired after a 37 year career in aviation. He has agreed to share with us some of his more memorable stories. Guaranteed to be stories you have never heard before. There's no doubt you will find these stories to be both interesting and entertaining!

Scholarship Update

Dean and Ernie report that both Raegan and Sydney are progressing with their flight training and enjoying themselves. The weather, and even some maintenance issues, have cut into their flight time but even so, Raegan has about 17 hours and Sydney 10. Raegan is into pattern work and finding that judging the flare can be an elusive thing.

Cub Progress

The Cub is [moving right along](#) and, as they say, it's really starting to look like an airplane. The most recent work session ended early so they could prep the hangar for the weekend RV Assembly workshop. I'll bet the students will be admiring the workmanship on the Cub fuselage in the background during their breaks!

August Membership Meeting Minutes

08 August 2019

Meeting brought to order at 7:03 p.m. by Mark Pankratz

Rick Johnson, FDK Airport Manager, briefed the Chapter on current and upcoming airport developments.

Ernie updated everyone on the status of the Cub project. All the paint is done and the engine has been installed.

Steve Gross has acquired an RV-10 project. He got the assembled empennage from the Nashville area, a quick-build fuselage with wings in Plainfield, IL, and was able to pick up an engine and Whirlwind propeller; all at a bargain basement price!

Rex reminded everyone that the RV Assembly/Metalworking workshop is scheduled for August 24 and 25, with setup taking place on August 23 at around 1:00 p.m.

Membership Meeting Minutes continued

Chris Gunther let everyone know there's a Rotax training the week of August 26 at Bay Bridge Airport. Each course is around \$750.

Raegan updated everyone on her flight training; she's been flying in the pattern, working on the flare, and has several more flights scheduled

The 50/50 was \$105 with \$53 going to the winner and \$52 to the scholarship fund.

Mark and Mary announced that they have a new grandchild. Congratulations!

Meeting concluded at 8:20 pm

August Board Meeting Minutes

15 August 2019

Meeting brought to order at 6:55 p.m. by Mark Gosselin

Present were Mark Gosselin, Ernie O'Roark, Jack Fromm, Rex Bullinger, Jerry Blake, Tim and Doreen, and Erick Webb

The Chapter has received a very generous donation in the amount of \$10,000 to sponsor the Ford Trimotor wing rebuild and to help with flight training scholarships.

tRex said the crate for the workshop is arriving on August 16 or 19, and that he needs volunteers to help set up for the workshop at around 1 p.m. on Friday, August 23.

The board is considering a couple dates for a Chapter picnic in late September/early October.

Steve Gross has indicated that he would be interested in having his RV-10 be completed as a Chapter project at no cost to the Chapter.

A motion was brought forward to move forward with including disabled veterans in some sort of Chapter build project.

The Chapter has been given the option to receive a donated Lycoming O-235. It's unclear what sort of condition the engine is in, so the Board voted to move forward in small steps to determine if the engine is worth assembling to sell, or is best parted out and sold.

Jack Fromm announced his intention to step down as Chapter Newsletter & Web Editor. The Chapter is very grateful to Jack for his years of hard work and dedication. His successor will have very big shoes to fill.

Meeting adjourned at 7:40 p.m.

Submitted,

Erick Webb, Secretary
